Wealthfront Advisers LLC
(successor investment adviser to Wealthfront Inc.)
Advisory Client Agreement

Revision date: August 1, 2018

You (“Client”) and Wealthfront Advisers LLC, a Delaware limited liability company and an SEC registered investment adviser (“Wealthfront Advisers,” the successor investment adviser to Wealthfront Inc.), agree to enter into an investment advisory relationship (the “Agreement”) pursuant to which Wealthfront Advisers shall exclusively manage the assets in account(s) that you establish at Wealthfront Brokerage LLC (“Wealthfront Brokerage,” and formerly known as Wealthfront Brokerage Corporation). This Agreement is effective as of the first day a brokerage account is opened in connection with this Agreement and is ready to receive trading instructions from Wealthfront Advisers (the “Effective Date”). In consideration of the mutual covenants herein, Client and Wealthfront Advisers agree as follows:

1. Services

Client appoints Wealthfront Advisers to exclusively manage one or more accounts established and owned by Client at Wealthfront Brokerage (each the “Client Account,” “Wealthfront Account” or “Account”). Wealthfront Advisers shall manage the Accounts in accordance with an investment plan recommended by Wealthfront Advisers to Client from time to time based on profile information provided by Client (“Investment Profile”), and in accordance with certain additional investment options designated by Client (the “Plan”). Client authorizes Wealthfront Advisers to supervise and direct the investment and reinvestment of assets in the Client Accounts, with full authority and discretion (without consultation with the Client), on the Client’s behalf and at the Client’s risk, and in accordance with the Client’s Plan, to purchase and sell securities, including but not limited to stocks, exchange traded funds (“ETFs”), mutual funds (including without limitation money market mutual funds as separate investments), and/or similarly traded instruments (collectively “Securities”), as well as to manage cash balances within the Client Accounts. Without in any way limiting the foregoing and for the avoidance of doubt, Client cannot issue individual trading instructions to Wealthfront Advisers or to Wealthfront Brokerage to purchase and/or sell specific Securities to be executed at particular times, provided however, if Client has opted for certain PassivePlus investment options that invest in individual issuers of Securities as part of the Client’s Plan, then Wealthfront Advisers, in its sole and absolute discretion and without any obligation to the Client in each case, may permit Client to restrict the purchase of one or more issuers of Securities in his or her Account. Only Wealthfront Advisers shall have authority to issue trading instructions to purchase and sell Securities in the Client Accounts that are consistent with the Plan and based on the discretionary authority granted to Wealthfront Advisers by Client under this Agreement. Wealthfront Advisers shall not have any duty or obligation to advise or take any action on behalf of Client in any legal proceedings, including bankruptcies or class actions, involving Securities held in or formerly held in the Account or the issuers of Securities.

Notwithstanding anything in this Agreement to the contrary, Wealthfront Advisers shall have no authority hereunder to take or have possession of any assets in the Account or to direct delivery of any Securities or payment of any funds held in that Account to itself or to direct any disposition of such Securities or funds, except to Client, as directed by Client, pursuant to valid legal authority, or as provided in Section 8 (entitled “Payment of Fees”).

2. Representations and Warranties.

(a) Client represents and warrants to Wealthfront Advisers and agrees with Wealthfront Advisers as follows:

- i. Client has the requisite legal capacity, authority and power to execute, deliver and perform his or her obligations under this Agreement. This Agreement has been duly authorized, executed and delivered by Client and is the legal, valid and binding agreement of Client, enforceable against Client in accordance with its terms. Client’s execution of this Agreement and the performance of his or her obligations hereunder do not conflict with or violate any obligations by which Client is bound,

whether arising by contract, operation of law or otherwise. If the Client is an entity, the individual trustee, agent, representative or nominee (the “Client Representative”) executing this Agreement on behalf of Client has the requisite legal capacity, authority and power to execute, deliver and perform such execution and the obligations under this Agreement as applicable. Specifically, if the Client is a corporation, limited liability company, partnership, or other legal entity that is not an individual, the Client Representative signing this Agreement on such Client’s behalf has been authorized to execute this Agreement by appropriate corporate, member or manager, partnership or similar action. If this Agreement is entered into by a trustee or fiduciary, the trustee or fiduciary has authority to enter into this Agreement on behalf of the Client. The Client has the power and authority to enter into this Agreement and that the services described herein are authorized under the Client’s applicable articles, certificate, charter, operating agreement, partnership agreement, plan document, trust or organizational, delegation or formation documents or law. Client will deliver to Wealthfront Advisers evidence of Client’s and Client Representative’s authority on Wealthfront Advisers’ request and will promptly notify Wealthfront Advisers of any change in such authority, including but not limited to an amendment to Client’s organizational, delegation or formation documents that changes the information Client provides to Wealthfront Advisers on opening the Account. Client Representative has the authority to act on behalf of the Account, and Wealthfront Advisers is entitled to rely upon and may accept such instructions from the Client Representative, which may be limited due to only one Client Representative having log-in privileges to the Account, without any requirement to seek confirmation of instructions from the other Client Representatives.

ii. For Entity Clients: If Client Representative is entering into this Agreement, Client and Client Representative understand and agree that the representations, warranties and agreements made herein are made by Client both: (a) with respect to Client; and (b) with respect to the Client Representative.

iii. For Joint Account Clients (With Rights of Survivorship): If Clients are entering into this Agreement with respect to joint Account, Clients understand and agree that the representations, warranties and agreements made herein are made on behalf of all of the joint Account holders and further agree that each (a) is a Client; (b) has the authority to act on behalf of the joint Account and Wealthfront Advisers is entitled to rely upon and may accept such instructions from any one Client, which may be limited due to only one of the Clients having login privileges to the joint Account, without any requirement to seek confirmation of instructions from the other Client(s); (c) is jointly and severally liable per the terms of this Agreement; and (d) that in the case of death of any of the joint Account Clients, interest in the entire Account shall vest in the surviving account Client(s) under the same terms and conditions of this Agreement and the surviving account Client(s) shall promptly provide Wealthfront Advisers with written notice thereof and provide any documentation reasonably requested by Wealthfront Advisers in its management of the Account.

iv. Client is the owner or co-owner of all cash and Securities in the Account, and there are no restrictions on the pledge, hypothecation, transfer, sale or public distribution of such cash or Securities.

v. Client acknowledges that a Plan may include only a single ETF for each asset class within the Plan, with each ETF playing a necessary role in the overall investment strategy and, therefore, Client understands and acknowledges that the Client cannot force exclusions or restrictions of ETFs recommended by Wealthfront Advisers as part of the Plan.

vi. Client will provide Wealthfront Advisers with complete, current and accurate information about Client’s identity, background, net worth, investing timeframe, other risk considerations, any Securities from which Client may be or become legally restricted from buying or selling, as requested, and other investment accounts, as requested, in the Investment Profile and will promptly update that information as Client’s circumstances change.

vii. Client acknowledges that the Wealthfront Advisers and Wealthfront Brokerage are subject to certain anti-money laundering (“AML”) and related provisions under applicable laws, rules and regulations and are otherwise prohibited from engaging in transactions with, or providing services to,

certain foreign countries, territories, entities and individuals, including without limitation, specially designated nationals, specially designated narcotics traffickers and other parties subject to United States government or United Nations sanctions and embargo programs (collectively “AML Laws”). Accordingly, Client hereby represents and warrants the following and shall promptly notify Wealthfront Advisers if any of the following ceases to be true and accurate: (a) to the best of the Client’s knowledge based upon appropriate diligence and investigation, none of the cash or property that the Client has paid or will pay or deposit to Wealthfront Advisers has been or shall be derived from or related to any activity that is deemed criminal under United States law, nor will any of the Client’s payments or deposits to Wealthfront Advisers directly or indirectly contravene United States federal, state, international or other laws or regulations, including without limitation any AML Laws (b) no contribution or payment by Client to Wealthfront Advisers shall cause Wealthfront Advisers or Wealthfront Brokerage to be in violation of any AML Laws. Client understands and agrees that if at any time it is discovered that any of the representations in this Section 2(a)(vii) are untrue or inaccurate, or if otherwise required by applicable law or regulation related to money laundering and similar activities, Wealthfront Advisers may undertake appropriate actions to ensure compliance with applicable law or regulation, including, but not limited to, freezing or forcing a withdrawal of the Client’s cash or assets from Wealthfront Advisers.

viii. Client acknowledges that Wealthfront Advisers or Wealthfront Brokerage may require further documentation verifying Client’s identity or the identity of the Client’s beneficial owners, if any, and the source of funds used to make payment or deposit to Wealthfront Advisers. Client hereby agrees to provide such documentation as may be requested by Wealthfront Advisers. Furthermore, Client acknowledges and agrees that Wealthfront Advisers or Wealthfront Brokerage may release confidential information regarding Client and, if applicable, any of Client’s beneficial owners, to government authorities, if Wealthfront Advisers, in its sole discretion, determines after consultation with counsel that releasing such information is in the best interest of Wealthfront Advisers.

ix. If Client specifically provides a photograph of Client’s likeness and/or other personal identifying information to Wealthfront Advisers for public display, then Client hereby grants permission to Wealthfront Advisers to use the provided photograph of Client’s likeness, Client’s name and/or other information, in a commercially reasonable manner on its website www.Wealthfront.com or its related mobile application (the “Site” or “App”), any related and/or affiliated sites, and in marketing materials now and in the future, until such time as this Agreement is terminated by either party. Client waives any and all rights to compensation as a result of such use of Client’s explicitly provided photograph of Client’s likeness, Client’s name and/or other information.

x. Client agrees to use Wealthfront Advisers solely for Client’s personal, non-commercial use, and not in connection with any competitive analysis (as determined by Wealthfront Advisers).

(b) Client understands and agrees that (A) Wealthfront Advisers does not guarantee the performance of the Account, is not responsible to Client for any investment losses, and the Account is not insured against loss of income or principal; (B) there are significant risks associated with investing in Securities, including, but not limited to, the risk that the Account could suffer substantial diminution in value, and this risk applies even when the Account is managed by an investment adviser; (C) the past performance of any benchmark, market index, ETF, or other Security does not indicate its future performance, and future transactions will be made in different Securities and different economic environments; (D) Wealthfront Advisers will cause the Account to invest in Securities substantially in the proportions set forth by the Plan (subject to the profile information received from Client and to various other factors, including without limitation Client deposits or withdrawals, variations in the allocations due to movements in the prices of Securities over time, and revisions of the Plan by Wealthfront Advisers from time-to-time consistent with Client’s profile information); (E) Wealthfront Advisers will provide only the specific reviews and restrictions described in this Agreement and will not otherwise review or control such Account; and (F) there are significant risks associated with any investment program.

i. Client understands and agrees that Wealthfront Advisers’ sole obligation hereunder or otherwise is to manage the Account in accordance with the Plan, and notwithstanding any duty or obligation Client Representative may have to an entity Client, Client has not engaged Wealthfront Advisers to

provide any individual financial planning services. Client understands and agrees that Wealthfront Advisers is not responsible for any losses in an Account, as provided in Section 10, and Wealthfront Advisers may at any time in its sole discretion determine that a Plan may require reallocation of Securities.

ii. Client understands and agrees that the Account will be managed solely by Wealthfront Advisers based on the information Client has provided to Wealthfront Advisers. Client further understands that if any of the information Client provides to Wealthfront Advisers is or becomes incomplete or inaccurate, the Account's activities may not achieve Client's desired investment or tax strategy, the Account may purchase Securities from which Client is restricted from purchasing at that time or the Plan may be inappropriate for Client. An Account's transactions may be executed at approximately the same time as other client accounts managed by Wealthfront Advisers in accordance with other clients' investment plan, and if the transactions are large in relation to the trading volume on that particular day, the price may be different than it would be for the execution of a smaller transaction. Client understands and agrees that Wealthfront Advisers has sole discretion regarding the manner in which transaction orders are placed for the purchase and sale of Securities for the Client Account(s). Client further understands and agrees that prices of Securities purchased and sold for the Client Account(s) may be less favorable than the prices obtained for the same Securities in similar transactions by other client accounts managed by Wealthfront Advisers and/or other non-related market participants.

iii. Client understands and agrees that an Account's composition and performance may be different for a variety of reasons from those of any Plan recommendation to a Client. These differences can arise each time the Plan is adjusted or rebalanced, including, but not limited to, the following instances: (A) when the Account is established and the initial Securities positions are established; (B) when Client contributes additional capital to such Account; (C) when Client revises his/her Investment Profile and causes Wealthfront Advisers to recommend a new Plan or revise the existing Plan; (D) each time the Advisory Fee (described in Section 5) is charged and paid from such Account; and (E) any time Wealthfront Advisers adjusts its algorithm by which the composition of the Account is maintained as specified for the Plan. On any such adjustment, Wealthfront Advisers may adjust the Plan in its discretion to approximate the composition specified in the Plan as closely as reasonably practicable based on the conditions at the time.

iv. Client understands and agrees that the prices of Securities purchased or sold for the Account may be less favorable than the prices in similar transactions for other Wealthfront Advisers Clients for whom Wealthfront Advisers has designated different Plans.

v. Client understands and agrees that the Account must maintain at all times a minimum balance (\$500 or as otherwise specified by Wealthfront Advisers on the Site or App) unless the balance drops below the specified minimum due solely to decreases in the values of the Account's Securities and not due to any withdrawals of funds while the balance of the Account met the minimum as provided in this Section 2(b)(vi). Without in any way limiting Wealthfront Advisers' rights pursuant to Section 12 hereof, if the Account balance falls below the specified minimum, Wealthfront Advisers may liquidate the Account holdings, deliver the proceeds of the liquidation to Client, and close the Account.

3. Custody

Client has appointed Wealthfront Brokerage as its broker and custodian pursuant to a separate "Customer Brokerage and Custody Agreement." Wealthfront Advisers shall not be liable to Client for any act, conduct or omission by the Wealthfront Brokerage and/or the clearing broker in its capacity as broker or custodian. At no time will Wealthfront Advisers accept, maintain possession or have custodial responsibility for Client's assets or securities. Client assets and securities will be delivered between Client and the Wealthfront Brokerage only.

4. Confidentiality

Except as required by law or requested by regulatory authorities, (a) Wealthfront Advisers agrees to maintain in strict confidence all of Client's non-public personal and financial information that Client furnishes to Wealthfront Advisers, except for information that Client explicitly agrees to share publicly, and (b) Client agrees to maintain in strict confidence all investment advice and other non-public information that Client acquires from Wealthfront Advisers in connection with the Account. Client agrees that Client shall not use investment recommendations and other confidential information Client receives from Wealthfront Advisers for any purpose other than managing the Account, including, but not limited to, developing a service that competes with the Site or Wealthfront Advisers' services. Client acknowledges receipt of and consents to Wealthfront Advisers' Privacy Policy available at www.wealthfront.com/legal/privacy. Client understands, acknowledges, and agrees that they can opt-out of the Wealthfront Advisers Privacy Policy and certain portions of the Wealthfront Advisers Privacy Policy at any time; however, if the Client does opt out, Wealthfront Advisers may choose to terminate this Agreement and related Account(s). Notwithstanding any provisions in this Agreement to the contrary, Wealthfront Advisers may share Client's non-public personal and financial information with affiliates of Wealthfront Advisers in connection with providing and/or enhancing the services provided to Client.

5. Advisory Fee

(a) Wealthfront Advisers specifies the annual fee rate it charges a Client (the "Advisory Fee") and posts the Advisory Fee on the Client's Account page on the Site and the App. Fees due shall be calculated by multiplying the Advisory Fee by the net market value of the Account as of the close of trading on the New York Stock Exchange ("NYSE") (herein, "close of markets") on such day, or as of the close of markets on the immediately preceding trading day for any day when the NYSE is closed, and then by dividing by 365 (except in any leap year, during which year the amount shall be divided by 366). Except as provided below, the fees due for each calendar month (consisting of the aggregate of the daily fee for each day in that calendar month) shall be due and payable in arrears no later than the tenth business day of the immediately following calendar month. Wealthfront Advisers will promptly notify Client of any increase or decrease in the Advisory Fee. An increase in the Advisory Fee will be effective for the Account starting in the next month that begins at least 30 days after Wealthfront Advisers sends or posts such notice. A reduction in the Advisory Fee will be effective for the Account starting in the next month following its reduction.

i. If Client closes the Account, withdraws the entire balance of the Account, or otherwise terminates this Agreement on any date other than the last business day of the month (except under the circumstances covered by Section 5(b)), Client shall pay any outstanding aggregate daily fees for the period from the day immediately following the last day of the last calendar month for which Client has paid, through the effective date of such withdrawal or termination.

(b) If, for any reason, Wealthfront Advisers closes and liquidates all the positions held in the Account, Client will receive the proceeds of the liquidated portion of the Account net of any Advisory Fee due, and this Agreement shall terminate.

(c) If, for any reason, there is insufficient cash available in the Account to cover the Advisory Fees at the time they are charged, Wealthfront Advisers, in its sole discretion, may cause certain Securities in the Account to be liquidated to allow the Advisory Fees to be deducted from the Account.

(d) Wealthfront Advisers reserves the right, in its sole and absolute discretion, to reduce or waive the Advisory Fee for certain Client Accounts for any period of time determined by Wealthfront Advisers. In addition, Client agrees that Wealthfront Advisers may waive its fees for the Accounts of clients other than Client, without notice to Client and without waiving its fees for Client. In exercise of its sole and absolute discretion Wealthfront Advisers may amend or terminate any reduction or waiver of the Advisory Fee. Wealthfront Advisers will promptly notify Client of any increase or decrease in the reduction or waiver of the Advisory Fee. A change in the waiver or reduction of the Advisory Fee will be effective for the Account starting in the next month that begins at least 30 days after Wealthfront Advisers sends or posts such notice.

6. Valuation

The assets in the Account will be valued by Wealthfront Brokerage.

7. Responsibility for Expenses

Wealthfront Advisers charges Client the Advisory Fee as provided in Section 5 hereof. Clients may bear additional fees, however, such as fees embedded in the products (including without limitation ETFs or mutual funds) held in the Account. Furthermore, Wealthfront Brokerage may charge Clients additional fees or expenses for optional brokerage services or products.

8. Payment of Fees

Wealthfront Advisers may, in its discretion, either (a) cause the Account to pay to Wealthfront Advisers any amount owing to Wealthfront Advisers or Wealthfront Brokerage under this Agreement or (b) bill Client for such amount, in which case Client shall pay such amount to Wealthfront Advisers within ten (10) days of Client's receipt of such bill. If Wealthfront Advisers causes the Account to pay Wealthfront Advisers or Wealthfront Brokerage directly, Wealthfront Advisers will inform Wealthfront Brokerage of the amount of the Advisory Fee to be paid to Wealthfront Advisers directly from the Account and notify Client, after the Advisory Fee has been charged, the amount of the Advisory Fee and the net market values of Client's assets on which the Advisory Fee has been based. Notification to Client will be through Client's user account on the Site or by email at the address(es) provided by Client to Wealthfront Advisers.

9. Portfolio Transactions

(a) Wealthfront Advisers' will place orders for the execution of transactions for the Client Account in accordance with Wealthfront Advisers' Form ADV Part 2 (available at https://www.wealthfront.com/static/documents/form_adv_part_2.pdf) as may be amended from time to time. Wealthfront Advisers shall not have any responsibility for obtaining for the Account the best prices or any particular commission rates.

(b) Client agrees that Wealthfront Advisers, or any person controlling, controlled by or under common control with Wealthfront Advisers, may act as broker for both Client and for another person on the other side of any transaction involving funds or Securities in the Account ("Agency Cross Transaction"). Client recognizes that Wealthfront Advisers or its affiliates may receive commissions, and have a potentially conflicting division of loyalties and responsibilities regarding, both parties to such Agency Cross Transactions. If Wealthfront Advisers engages in an Agency Cross Transaction, Wealthfront Advisers or its designee will send to Client a written confirmation at or before the completion of each such Agency Cross Transaction, which confirmation will include (i) a statement of the nature of such Agency Cross Transaction, (ii) the date such Agency Cross Transaction shall have taken place, (iii) an offer to furnish, on request, the time when such Agency Cross Transaction shall have taken place, and (iv) the source and amount of any other remuneration received or to be received by Wealthfront Advisers or any of its affiliates in connection with such Agency Cross Transaction. Wealthfront Advisers shall also send to Client, at least annually, a written statement identifying the total amount of such Agency Cross Transactions during the period included in the statement, and the total commissions or other remuneration received or to be received by Wealthfront Advisers or any of its affiliates in connection with such Agency Cross Transaction included in the statement. The consent to Agency Cross Transactions set forth in this Section may be revoked by Client at any time by notifying Wealthfront Advisers in writing.

10. Limitation of Liability and Indemnification

(a) To the extent permitted under applicable law, Client understands and agrees that Wealthfront Advisers will not be liable to Client for any losses, expenses, damages, liabilities, charges and claims of any kind or nature whatsoever (including without limitation any legal expenses and costs and expenses relating to investigating or defending any demands, charges and claims) (collectively, "Losses") incurred by Client with respect to any Accounts, except to the extent that such Losses are actual losses of the Client proven with reasonable certainty and are the direct result of an act or omission taken or omitted by the Adviser during the term of this Agreement which

constitutes willful misfeasance, bad faith or gross negligence under this Agreement. Without limitation, Wealthfront Advisers shall not be liable for Losses resulting from or in any way arising out of (i) any action of the Client or its previous advisers or other agents, (ii) force majeure or other events beyond the control of Wealthfront Advisers, including without limitation any failure, default or delay in performance resulting from computer or other electronic or mechanical equipment failure, unauthorized access, strikes, failure of common carrier or utility systems, severe weather or breakdown in communications not reasonably within the control of Wealthfront Advisers or other causes commonly known as “acts of god”, or (iii) general market conditions unrelated to any violation of this Agreement by Wealthfront Advisers.

(b) Client (and in addition, for entity accounts, Client Representative) shall reimburse, indemnify, defend and hold harmless Wealthfront Advisers, its affiliates and their directors, officers, shareholders, employees and any person controlled by or controlling Wealthfront Advisers from and against any and all Losses relating to this Agreement or the Account arising out of any misrepresentations or act or omissions or alleged act or omission on the part of the Client (or Client Representatives) or previous advisers or the custodian or any of their agents, except if such Losses are the direct result of Wealthfront Advisers’ willful misfeasance, bad faith or gross negligence in the performance of Wealthfront Advisers’ duties or by reason of Wealthfront Advisers’ reckless disregard of its obligations and duties hereunder. In addition to the above indemnities, for entity Clients, the Client Representative shall further indemnify and defend Wealthfront Advisers and Wealthfront Advisers’ directors, officers, shareholders, employees and affiliates and hold them harmless from and against any and all claims, losses, damages, liabilities and expenses, as they are incurred, resulting from or in connection to Client’s assertion of Client Representative’s lack of proper authorization from Client to enter into this Agreement. Notwithstanding anything in this Section 10 or otherwise in this Agreement to the contrary, nothing herein shall constitute a waiver or limitation of any rights that Client may have under any federal or state securities laws, which rights may arise even if Wealthfront Advisers’ recommendation or other act or failure to act hereunder does not constitute willful misfeasance, bad faith or gross negligence in the performance of Wealthfront Advisers’ duties or by reason of Wealthfront Advisers’ reckless disregard of its obligations and duties hereunder.

11. Proxies

Client hereby gives Wealthfront Advisers the authority to vote proxies for securities held in Client Accounts pursuant to Wealthfront Advisers’ written policies and procedures, as outlined in Wealthfront Advisers’ Form ADV Part 2. Wealthfront Advisers will be responsible for voting all proxies with respect to securities held in Client Accounts and will keep required records regarding this activity.

12. Termination; Withdrawals

This Agreement may be terminated by either party with or without cause by notice to the other party, which notice shall be provided by Client to Wealthfront Advisers through the Site and by Wealthfront Advisers to Client through the primary email address in Client’s Account Application as Client shall update from time to time. Client may withdraw all or part of the Account by notifying Wealthfront Advisers at any time provided that all partial withdrawals comply with Wealthfront Advisers’ required Account minimums as posted on the Site and updated from time to time, unless Wealthfront Advisers otherwise consents in advance. Client’s withdrawal of all of the Account under this Agreement, or Client’s withdrawal that results in an Account balance below the minimum as provided in Section 2(b)(vi) hereof will terminate this Agreement. Upon termination of this Agreement, Sections 8 (only as to fees accruing prior to termination), 10, 15, and 17 through 23 shall survive such termination. Client understands and agrees that upon termination of this Agreement Wealthfront Advisers may determine to liquidate immediately all holdings in the Plan and the Account, and subject to Section 10 hereof, Wealthfront Advisers shall not be liable to Client to any consequences of such liquidation.

13. Account Statements

Client will receive account statements via electronic delivery from Wealthfront Brokerage, which are the official records of the Account. Wealthfront Advisers may also provide information about the Account from time to time.

14. Independent Contractor

Wealthfront Advisers is and will hereafter act as an independent contractor and not as an employee of Client, and nothing in this Agreement may be interpreted or construed to create any employment, partnership, joint venture or other relationship between Wealthfront Advisers and Client.

15. Assignment

Wealthfront Advisers may not assign this Agreement without the prior consent of Client or the consent of any additional authorized signatories on behalf of Client, if such consent is required under the Investment Advisers Act of 1940, as amended. In the event of an assignment by Wealthfront Advisers, Wealthfront Advisers shall request any required consent(s) of Client within a specified reasonable time (which shall not be less than thirty (30) days). If Client does not respond to such request within the time specified, Wealthfront Advisers shall inform Client that the proposed assignee will continue the advisory services of Wealthfront Advisers for a specified reasonable time (which shall not be less than thirty (30) days), and if Client does not respond to such second notice from Wealthfront Advisers, Client's continued acceptance of investment management services from the proposed assignee shall constitute Client's consent(s) to the assignment. This Agreement shall bind and inure to the benefit of and be enforceable by the parties and their respective successors and assigns.

16. Delivery of Information

Client acknowledges electronic delivery of Wealthfront Advisers' brochure that would be required to be delivered under the Advisers Act (including the information in Part 2 of Wealthfront Advisers' Form ADV), which is available on the Site and the App and provided here by link:

https://www.wealthfront.com/static/documents/form_adv_part_2.pdf

On written request by Client, Wealthfront Advisers agrees to annually deliver electronically, without charge, Wealthfront Advisers' brochure required by the Advisers Act.

17. Governing Law

This Agreement shall be governed exclusively by and construed and interpreted in accordance with the U.S. Federal Arbitration Act, federal arbitration law, and the laws of the State of California, excluding its provisions on conflicts or choice of laws. Except as otherwise expressly set forth in Section 18 of this Agreement below, any legal action or proceeding arising under this Agreement shall be brought exclusively in courts located in San Francisco, California or federal court for the Northern District of California, and the parties hereby irrevocably consent to the personal jurisdiction and venue therein.

18. Arbitration

Any dispute, claim or controversy arising out of or relating to the advisory services provided by Wealthfront Advisers, this Agreement or the breach, termination, enforcement, interpretation or validity thereof, including the determination of the scope or applicability of this Agreement to arbitrate (each a "Dispute"), shall be **resolved solely by binding, individual arbitration rather than a class, representative or consolidated action or proceeding**. You and Wealthfront Advisers each further agree that the U.S. Federal Arbitration Act governs the interpretation and enforcement of this Agreement, and that each party is waiving the right to a trial by jury or to participate in a class action. This arbitration provision shall survive termination of this Agreement.

(a) **Exceptions and Opt-Out.** As limited exceptions to mandatory arbitration as set forth in this Section 18 of this Agreement: (i) you may seek to resolve a Dispute in small claims court if it qualifies; and (ii) the parties each retain the right to seek injunctive or other equitable relief from a court to prevent (or enjoin) the infringement or misappropriation of our intellectual property rights. In addition, **you will retain the right to opt out of arbitration entirely and litigate any Dispute** if you provide us with written notice of your desire to do so by email at support@wealthfront.com or by regular mail at Wealthfront Adviser's physical address within thirty (30) days following the date you first agree to the terms of this Agreement.

(b) Conducting Arbitration and Arbitration Rules. The arbitration will be conducted by the American Arbitration Association (“AAA”) under its Consumer Arbitration Rules (the “AAA Rules”) then in effect, except as modified by this Agreement. The AAA Rules are available at www.adr.org or by calling 1-800-778-7879. A party who wishes to start arbitration must submit a written Demand for Arbitration to AAA and give notice to the other party as specified in the AAA Rules. The AAA provides a form Demand for Arbitration at www.adr.org.

If your claim is for U.S. \$10,000 or less, you may choose whether the arbitration will be conducted solely on the basis of documents submitted to the arbitrator, through a telephonic or video-conference hearing, or by an in-person hearing as established by the AAA Rules. If your claim exceeds U.S. \$10,000, the right to a hearing will be determined by the AAA Rules. Any arbitration hearings will take place in San Mateo County, California, unless the parties both agree in writing to a different location. You and Wealthfront Advisers agree that the arbitrator shall have exclusive authority to decide all issues relating to the interpretation, applicability, enforceability and scope of the terms of this Agreement.

(c) Arbitration Costs. Payment of all filing, administration and arbitrator fees will be governed by the AAA Rules. If you prevail in arbitration you will be entitled to an award of attorneys’ fees and expenses to the extent provided under applicable law.

(d) Effect of Changes on Arbitration. Notwithstanding anything in this Agreement, if Wealthfront Advisers changes any of the terms of this Section 18 after the date you first accepted this Agreement (or accepted any subsequent changes to this Agreement), you may reject any such change by sending us written notice (including by email to support@wealthfront.com) within 30 days of the date such change became effective, as indicated in the “Effective Date” above or in the date of Wealthfront Advisers’ email to you notifying you of such change. By rejecting any change, you are agreeing that you will arbitrate any Dispute between you and Wealthfront Advisers in accordance with the terms of this Section 18 as of the date you first accepted the terms of this Agreement (or accepted any subsequent changes, supplements or amendments to this Agreement).

(e) Class Action Waiver. **YOU AND WEALTHFRONT ADVISERS AGREE THAT EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN YOUR OR ITS INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING.** Further, if our Dispute is resolved through arbitration, the arbitrator may not consolidate another person's claims with your claims, and may not otherwise preside over any form of a representative or class proceeding. If any of the specific provisions within this Section 18 are found to be unenforceable, the remainder of this Section 18 shall not be affected thereby and, to this extent, the provisions of this Section 18 shall be deemed to be severable.

19. Notices

All notices and communications under this Agreement must be made through the Site or by email. Wealthfront Advisers’ contact information for this purpose is support@wealthfront.com, and Client’s contact information for this purpose is contained in Client’s user account on the Site and the primary email address(es) in Client’s Account Application as Client shall update from time to time.

20. Severability and Amendment

The invalidity or unenforceability of any provision hereof shall in no way affect the validity or enforceability of any and all other provisions hereof. Client acknowledges that Wealthfront Advisers may amend this Agreement from time to time, which amendment(s) will become effective and applicable to Client when published on Wealthfront Advisers’ website or otherwise made available to Clients (except as provided in Section 5(a)) and shall govern the relationship between the Client and Wealthfront Advisers during the entire term of this Agreement. Client acknowledges that Client will be responsible for checking Wealthfront Advisers’ website periodically for such amendment(s) to this Agreement.

21. Waiver or Modification

Wealthfront Advisers' waiver or modification of any condition or obligation hereunder shall not be construed as a waiver or modification of any other condition or obligation, nor shall Wealthfront Advisers' waiver or modification granted on one occasion be construed as applying to any other occasion.

22. Entire Agreement

This Agreement, together with the Brokerage Agreement, is the entire agreement of the parties regarding the subject matter hereof and supersedes all prior or contemporaneous written or oral negotiations, correspondence, agreements and understandings (including without limitation any and all preexisting client account agreements, which are hereby cancelled). However, the parties may choose to enter into separate agreements between them regarding different subject matters or investment programs.

23. No Third-Party Beneficiaries

Neither party intends for this Agreement to benefit any third party not expressly named in this Agreement.

24. Death, Disability, or Divorce

If a Client is an individual, the Client's death, disability or incompetency will not automatically terminate or change the terms of this Agreement. However, the Client's executor, guardian or attorney-in-fact may terminate this Agreement by giving written notice to Wealthfront Advisers. In the event that Client is a joint Account, both Account holders agree that if the Account ever becomes the subject of a dispute between Account holders, and Wealthfront Advisers becomes aware of the dispute, Wealthfront Advisers may refuse to disburse or allow for the termination of this Agreement without the consent of both joint Account holders. Further, both Account holders agree that in the event that one Account holder provides instructions to Wealthfront Advisers, even if the instructions are to terminate the Agreement and disburse all funds from the Account to one of the Account holders, Wealthfront Advisers may do so without the permission of the other Account holder and will have no liability to either Account holder.

A. General Description of the Company

Wealthfront Advisers is an automated investment adviser registered with the SEC. Wealthfront Advisers provides clients with software-based investment advisory and portfolio management services through the Wealthfront Advisers Program. This Program, launched in December 2011, is made available via brokerage accounts that all clients open at Wealthfront Brokerage LLC (“Wealthfront Brokerage” and formerly known as Wealthfront Brokerage Corporation), a member of Financial Industry Regulatory Authority (“FINRA”). Wealthfront Advisers became the successor investment adviser to Wealthfront Inc. effective August 1, 2018. On the same date, Wealthfront Inc. changed its name to Wealthfront Corporation. Software-based financial planning tools and services (as described further in Item 4.B below) are provided by Wealthfront Software LLC (“Wealthfront Software”). Wealthfront Advisers, Wealthfront Brokerage and Wealthfront Software are wholly owned subsidiaries of Wealthfront Corporation, which is a privately held company headquartered in Redwood City, CA. Additional information about Wealthfront Advisers’ products, structure and directors is provided on Part 1 of Wealthfront Advisers’ Form ADV which is available online at <http://www.adviserinfo.sec.gov> or at <http://www.wealthfront.com>. We encourage visiting our website www.wealthfront.com for additional information.

B. Summary of Investment Advisory Services

Wealthfront Advisers offers an automated investment advisory service based on Modern Portfolio Theory (“MPT”) that makes it possible for anyone who enters into a Wealthfront Advisers Advisory Client Agreement (the “Advisory Client Agreement”), to access state-of-the-art investment advisory and portfolio management services. As provided in the Advisory Client Agreement, advisory clients (“Clients”) grant Wealthfront Advisers discretionary authority to manage Client assets in accounts (“Client Accounts” or “Accounts”) opened and maintained at Wealthfront Brokerage (and in the case of the 529 college savings plan, the sponsoring state trust fund account) pursuant to the Wealthfront Brokerage Customer Brokerage and Custody Agreement (the “Brokerage Agreement”). Wealthfront Advisers’ investment objective is to seek maximum long-term, risk-adjusted, after-tax, net of fee returns.

Financial Planning Service Through Software

In addition to investment advisory and portfolio management services, Wealthfront Advisers, through its affiliate Wealthfront Software, also provides certain software-based financial planning tools and services (the “Financial Planning Service”) to its Clients. The Financial Planning Service is a product offered by Wealthfront Software and is made available to Wealthfront Advisers’ Clients free of charge through a contractual arrangement between Wealthfront Advisers and Wealthfront Software.

C. Advisory Fees

Wealthfront Advisers is compensated for its advisory services by charging an annual 0.25% fee on the net market value of a Client's Account. Wealthfront Advisers reserves the right, in its sole discretion, to negotiate, reduce or waive the advisory fee for certain Client Accounts for any period of time determined solely by Wealthfront Advisers. In addition, Wealthfront Advisers may reduce or waive its fees for the Accounts of some Clients without notice to, or fee adjustment for, other Clients. For Clients who had opened accounts prior to April 1, 2018, Wealthfront Advisers waived its investment advisory fees for the first \$10,000 of assets in any Wealthfront Advisers investment advisory account(s). However, this benefit is no longer available for new clients who had opened their initial account on or after April 1, 2018.

Taxable Accounts and IRAs

Wealthfront Advisers' software-based investment advisory service charges a non-negotiable annualized fee of 0.25% on a Client's assets under management. In some cases, Clients can have a portion of their assets managed for free. Annual fees are charged on a monthly basis as explained below.

Wealthfront Advisers' fees are not charged in advance and are calculated on a continuous basis and deducted from Clients' Accounts each month as follows: Wealthfront Advisers calculates a daily advisory fee, which is equal to the fee rate multiplied by the net market value of the Client's Account as of the close of trading on the New York Stock Exchange ("NYSE") (herein, "close of markets") on such day, or as of the close of markets on the immediately preceding trading day for any day when the NYSE is closed, and then divided by 365 (or 366 in any leap year). The advisory fee for a calendar month is equal to the total of the daily fees calculated during that month (less any deductions or fee waivers) and is deducted from Client Accounts no later than the tenth business day of the following month.

College Savings Accounts

Wealthfront Advisers also charges an annual 0.25% fee on the net market value of a college savings account for its investment advisory services in connection with the account. Wealthfront Advisers waives its investment advisory fees on the first \$25,000 it manages for Nevada residents who open a college savings account, and this fee waiver applies to the aggregate of all of the Nevada resident's account assets with Wealthfront Advisers. This waiver will not terminate on April 1, 2018.

This advisory fee is separate from the fees and expenses of the MFSs in which a Client invests in the Client's colleges savings account, which include the fees and expenses of the ETFs underlying such securities, the fees of the college savings plan recordkeeper and the fees of the state trust that issues the MFSs.

D. Other Account Fees

In addition to the advisory fees, Clients may also pay other fees or expenses to third parties, as well as to an affiliate of Wealthfront Advisers. The issuer of some of the securities or products we purchase for Clients, such as ETFs, may charge product fees that affect Clients. Wealthfront Advisers does not charge these ETF fees to Clients, nor does it benefit directly or indirectly from any such fees. An ETF typically includes embedded expenses that may reduce the fund's net asset value, and therefore directly affect the fund's performance and indirectly affect a Client's portfolio performance or an index benchmark comparison. Expenses of an ETF may include management fees, custodian fees, brokerage commissions, and legal and accounting fees. ETF expenses may change from time to time at the sole discretion of the ETF issuer. Wealthfront Advisers discloses each ETF's current information, including expenses, on the Site. For those clients that invest in the Wealthfront Risk Parity Fund (the "Risk Parity Fund"), the assets invested in the Risk Parity Fund would also be subject to an additional management / operational expense. The Risk Parity Fund is managed by Wealthfront Strategies, which is an affiliate of Wealthfront Advisers. Additional information regarding the Risk Parity Fund and related expenses can be found on the Site. In addition, Clients who use the Portfolio Line of Credit offered by Wealthfront Brokerage to obtain a loan secured by the assets of their taxable Accounts will be charged interest on the outstanding balance.

Item 5 Account Requirements and Types of Clients

The minimum amount required to open and maintain an account with Wealthfront Advisers is \$500. As a result of the automation associated with offering its services online, Wealthfront Advisers makes it possible for retail investors, as well as retirement accounts and trusts, to access its service with much lower account minimums than normally available in the industry. Clients have access to their Accounts through the Site. Additional requirements for opening an Account with Wealthfront Advisers are described in Item 4, above.

At any time, a Client may terminate an Account, or withdraw all or part of an Account (provided the Account balance does not fall below \$500 because of the withdrawal), or update her investment profile, which may initiate an adjustment in the Account's holdings. In that case, unless otherwise directed by the Client, Wealthfront Advisers will sell the securities in the Client Account (or portion of the Account, in the case of a partial withdrawal or update) at market prices at or around the time of the termination, withdrawal or update. See Item 16 for a description of Wealthfront Advisers' discretionary investment authority, including the timing of Wealthfront Advisers' placement of Client trade orders. While Wealthfront Advisers seeks to respond to Client deposits, Client changes in risk profiles, Client withdrawal requests, including without limitation requests in connection with terminations, and other reasonable Client requests in a timely and reasonable manner, Wealthfront Advisers does not represent or guarantee that Wealthfront Advisers will respond to any such Client actions or requests immediately or in accordance with set time schedule.

Investors evaluating Wealthfront Advisers' software-based investment advisory service should be aware that Wealthfront Advisers' relationship with Clients is likely to be different from the "traditional" investment advisory relationship in several aspects:

1. Wealthfront Advisers is a software-based investment adviser which means each Client must acknowledge her ability and willingness to conduct her relationship with Wealthfront Advisers on an electronic basis. Under the terms of the Advisory Client Agreement and the Brokerage Agreement, each Client agrees to receive all Account information and Account documents (including this Brochure and the Wealthfront Advisers Program Brochure), and any updates or changes to same, through her access to the Site and Wealthfront Advisers' electronic communications. Unless noted otherwise on the Site or within this Brochure, Wealthfront Advisers' investment advisory service, Wealthfront Brokerage's brokerage services, the signature for the Advisory Client Agreement and the Brokerage Agreement, and all documentation related to the advisory services are managed electronically. Wealthfront Advisers does make individual representatives available to discuss servicing matters with Clients.
2. To provide its investment advisory services and tailor its investment decisions to each Client's specific needs, Wealthfront Advisers collects information from each Client, including specific information about her investing profile such as financial situation, investment experience, and investment objectives. Wealthfront Advisers maintains this information in strict confidence subject to its Privacy Policy, which is provided on the Site. When customizing its investment solutions, Wealthfront Advisers relies upon the information received from a Client. Although Wealthfront Advisers contacts its Clients periodically as described further in Item 13 below, a Client must promptly notify Wealthfront Advisers of any change in her financial situation or investment objectives that might require a review or revision of her portfolio.
3. The software-based investment advisory service includes preselected ETFs for each asset class within the plan recommended to a Client. Wealthfront Advisers does not allow Clients to select their own ETFs because each ETF and asset class is considered to be part of the overall investment plan. However, Wealthfront Advisers does allow Clients with certain advanced TLH strategies to restrict Wealthfront Advisers from investing in the stock of a public company that employs the Client or other single U.S. stocks at the request of the Client. For taxable Client accounts with a minimum account size of \$100,000, the Risk Parity Fund would also be included in the plan recommended to a Client, but a Client may choose not to invest in the Risk Parity Fund.
4. Clients may not place orders to purchase or sell securities on a self-directed basis.

Item 6 Portfolio Manager Selection and Evaluation

A. Modern Portfolio Theory ("MPT")

For its software-based investment advisory and portfolio management services, Wealthfront Advisers provides Clients with investment advice that is based on MPT. MPT attempts to maximize a portfolio's expected return for a given amount of portfolio risk, or equivalently minimize risk for a given level of expected return, by selecting the proportions of various asset classes rather than selecting individual securities. Historically, rigorous MPT-based financial

advice has been available primarily through certain high-end financial advisors. Wealthfront Advisers' goal is to enable anyone with at least \$500 to access the benefits of MPT.

Prior to the launch of the Wealthfront Advisers software-based investment advisory service, it was not practical to offer rigorous and complete MPT to everyone because delivering a complete solution was too complex. Specifically, the number of calculations required to identify an optimized asset allocation, the ideal securities to represent each asset class, and an individual's true risk tolerance are beyond the scope of free, web-based tools. The job becomes even more difficult when considering the importance of periodically rebalancing a portfolio to maintain a desired risk level.

To employ MPT properly, one must start with an accurate determination of an individual's objective and subjective tolerance for risk. Achieving accuracy requires sophisticated software applied to more detailed questions than are typically asked by advisers. Based on this risk analysis, Wealthfront Advisers seeks to create an individualized investment plan using the optimal asset classes in which to invest, the most efficient and inexpensive ETFs to represent each of those asset classes, and the ideal mix of asset classes based on the Client's specific risk tolerance. Wealthfront Advisers uses Mean Variance Optimization to rigorously evaluate every possible combination of the following eleven asset classes: US equities, foreign developed markets equities, emerging markets equities, dividend growth equities, real estate, natural resources, treasury inflation protected securities (TIPS), municipal bonds, corporate bonds, emerging markets bonds, risk parity and US government bonds. Mean Variance Optimization uses the expected return and volatility for each asset class and the covariance among asset classes to find the combination that delivers the highest possible return for any given standard deviation of a portfolio's returns. Wealthfront Advisers however, must limit the number of assets classes for very small portfolios. Further, the risk parity asset class is only available to taxable Client accounts with a minimum account size of \$100,000.

Wealthfront Advisers periodically reviews the entire population of more than 1,000 ETFs to identify the most appropriate ETFs to represent each asset class. We look for ETFs that minimize cost and tracking error and offer market liquidity. Many investors do not realize that ETFs do not exactly track the indexes they were created to mimic. Choosing an ETF with a low expense ratio that does not track the asset class recommended by our service runs the risk of sub-optimizing a Client's portfolio's performance. We choose ETFs that are expected to have sufficient liquidity to allow Client withdrawals at any time. Finally, we select ETFs that have conservative and shareholder-friendly securities lending policies.

In addition to choosing what we believe to be the best ETFs at the time, we explain why we chose each one. We provide a detailed analysis of how the selected ETF stacked up against the second and third best choice for each asset class on the dimensions described in the paragraph above.

Wealthfront Advisers continuously monitors our Clients' portfolios and periodically rebalances them back to the Clients' target mix in an effort to optimize returns for the intended level of risk. We consider tax implications and the volatility associated with each of our chosen asset classes when deciding when and how to rebalance.

B. Tax-Loss Harvesting (“TLH”)

TLH is a technique used to lower your taxes while maintaining the expected risk and return profile of your portfolio. It harvests previously unrecognized investment losses to offset taxes due on your other gains and income by selling a security at loss to accelerate the realization of capital loss and investing the proceeds in a security with closely correlated risk and return characteristics. The realized loss can be applied to lower your tax liability and the tax savings can be reinvested to grow the value of your portfolio. Wealthfront Advisers’ basic TLH strategy, which is solely applied to ETFs, is available for all Clients. Advanced versions of TLH are available for Clients with larger account sizes and are generally applied to individual stocks that comprise the domestic equity allocation in their taxable account portfolios.

C. Long Term, Buy And Hold Investment Philosophy

Wealthfront Advisers adheres to a long-term, “buy-and-hold” investment philosophy. While Wealthfront Advisers reserves the right to act otherwise if it feels that it is in the best interests of its Clients, Wealthfront Advisers does not try to time the market and in general, Wealthfront Advisers intentionally does not react to market movements in managing Client Accounts other than through rebalancing and tax-loss harvesting. Wealthfront Advisers believes that numerous academic and industry studies show that “*short term fluctuations in market, which loom so large to investors, have little to do with the long-term accumulation of wealth.*” J. Siegel, Stocks for the Long Run (1977).

D. Risk Considerations

Wealthfront Advisers cannot guarantee any level of performance or that any Client will avoid a loss of Account assets. **Any investment in securities involves the possibility of financial loss that Clients should be prepared to bear.**

When evaluating risk, financial loss may be viewed differently by each Client and may depend on many different risk items, each of which may affect the probability of adverse consequences and the magnitude of any potential losses. The following risks may not be all-inclusive, but should be considered carefully by a prospective Client before retaining Wealthfront Advisers’ services. These risks should be considered as possibilities, with additional regard to their actual probability of occurring and the effect on a Client if there is in fact an occurrence.

Market Risk – The price of any security or the value of an entire asset class can decline for a variety of reasons outside of Wealthfront Advisers’ control, including, but not limited to, changes in the macroeconomic environment, unpredictable market sentiment, forecasted or unforeseen economic developments, interest rates, regulatory changes, and domestic or foreign political, demographic, or social events. If a Client has a high allocation in a particular asset class, it may negatively affect overall performance to the extent that the asset class underperforms relative to other market assets. Conversely, a low allocation to a particular asset class that outperforms other asset classes in a particular period will cause that Client Account to underperform relative to the overall market.

Advisory Risk – There is no guarantee that Wealthfront Advisers’ judgment or investment decisions about particular securities or asset classes will necessarily produce the intended results. It is possible that Clients or Wealthfront Advisers itself may experience computer equipment failure, loss of internet access, viruses, or other events that may impair access to Wealthfront Advisers’ software-based investment advisory service. Wealthfront Advisers and its representatives are not responsible to any Client for losses unless caused by Wealthfront Advisers breaching its fiduciary duty.

Software Risk – Wealthfront Advisers delivers its investment advisory services entirely through software. Consequently, Wealthfront Advisers rigorously designs, develops and tests its software extensively before putting such software into production with actual Client accounts and assets and periodically monitors the behaviors of such software after its deployment. Notwithstanding this rigorous design, development, testing and monitoring, it is possible that such software may not always perform exactly as intended or as disclosed on the Site, mobile app, blogs or other Wealthfront Advisers disclosure documents, especially in certain combinations of unusual circumstances. Wealthfront Advisers continuously strives to monitor, detect and correct any software that does not perform as expected or as disclosed.

Volatility and Correlation Risk – Wealthfront Advisers’ Security selection process is based in part on a careful evaluation of past price performance and volatility to evaluate future probabilities. It is possible that different or unrelated asset classes may exhibit similar price changes in similar directions which may adversely affect a Client’s account, and may become more acute in times of market upheaval or high volatility. **Past performance is no guarantee of future results, and any historical returns, expected returns, or probability projections may not reflect actual future performance.**

Liquidity and Valuation Risk – High volatility and/or the lack of deep and active liquid markets for a security may prevent a Client from selling his or her securities at all, or at an advantageous time or price because Wealthfront Advisers’ executing broker-dealer may have difficulty finding a buyer and may be forced to sell at a significant discount to market value. Some securities (including ETFs) that hold or trade financial instruments may be adversely affected by liquidity issues as they manage their portfolios. While Wealthfront Advisers values the securities held in Client Accounts based on reasonably available exchange traded security data, Wealthfront Advisers may from time to time receive or use inaccurate data, which could adversely affect security valuations, transaction size for purchases or sales, and/or the resulting advisory fees paid by a Client to Wealthfront Advisers.

Credit Risk – Wealthfront Advisers cannot control and Clients are exposed to the risk that financial intermediaries or security issuers may experience adverse economic consequences that may include impaired credit ratings, default, bankruptcy or insolvency, any of which may affect portfolio values or management. This risk applies to assets on deposit with any broker-dealer, notwithstanding asset segregation and insurance requirements that are beneficial to broker-dealer clients generally. In addition, exchange trading venues or trade settlement and clearing intermediaries could experience adverse events that may temporarily or permanently limit trading or adversely affect the value of Client securities. Finally, any issuer of securities may experience a credit event that could impair or erase the value of the issuer’s securities held by a Client. Wealthfront Advisers seeks to limit credit risk by generally adhering to the purchase of

ETFs, which are subject to regulatory limits on asset segregation and leverage such that fund shareholders are given liquidation priority versus the fund issuer; however, certain funds and products, which Wealthfront Advisers generally does not invest in, may involve higher issuer credit risk because they are not structured as a registered fund.

Legislative and Tax Risk - Performance may directly or indirectly be affected by government legislation or regulation, which may include, but is not limited to: changes in investment adviser / financial advisor or securities trading regulation; change in the U.S. government's guarantee of ultimate payment of principal and interest on certain government securities; and changes in the tax code that could affect interest income, income characterization and/or tax reporting obligations (particularly for ETF securities dealing in natural resources). Wealthfront Advisers does not engage in tax planning, and in certain circumstances a Client may incur taxable income on his or her investments without a cash distribution to pay the tax due.

Tax Loss Harvesting Risk - Clients who activate our tax-loss harvesting service are alerted to the following risks:

- **Clients should confer with their personal tax advisor regarding the tax consequences of investing with Wealthfront Advisers and engaging in the tax-loss harvesting strategy, based on their particular circumstances.** Clients and their personal tax advisors are responsible for how the transactions in the Client's account are reported to the Internal Revenue Service ("IRS") or any other taxing authority. Wealthfront Advisers assumes no responsibility to you for the tax consequences of any transaction.
- Wealthfront Advisers' tax-loss harvesting strategy is not intended as tax advice, and Wealthfront Advisers does not represent in any manner that the tax consequences described will be obtained or that Wealthfront Advisers' investment strategy will result in any particular tax consequence. The tax consequences of this strategy and other Wealthfront Advisers strategies are complex and may be subject to challenge by the IRS. This strategy was not developed to be used by, and it cannot be used by, any investor to avoid penalties or interest.
- When Wealthfront Advisers replaces investments with "similar" investments as part of the tax-loss harvesting strategy, it is a reference to investments that are expected, but are not guaranteed, to perform similarly and that might lower a Client's tax bill while maintaining a similar expected risk and return on the Client's portfolio. **Expected returns and risk characteristics are no guarantee of actual performance.**
- A Client must notify Wealthfront Advisers of specific stocks in which the Client is prohibited from investing. If a Client instructs Wealthfront Advisers not to purchase certain stocks, Wealthfront Advisers will select an alternate stock to purchase on the Client's behalf or if Wealthfront Advisers deems no other stock as appropriate, not invest in an alternate stock. The Client shall notify Wealthfront Advisers immediately if you consider any investments recommended or made for the Account to violate such restrictions.

- The performance of the new securities purchased through the tax-loss harvesting service may be better or worse than the performance of the securities that are sold for tax-loss harvesting purposes.
- The effectiveness of the tax-loss harvesting strategy to reduce the tax liability of the client will depend on the client's entire tax and investment profile, including purchases and dispositions in a Client's (or Client's spouse's) accounts outside of Wealthfront Advisers and type of investments (e.g., taxable or nontaxable) or holding period (e.g., short-term or long-term). The utilization of losses harvested through the strategy will depend upon the recognition of capital gains in the same or a future tax period, and in addition may be subject to limitations under applicable tax laws, e.g., if there are insufficient realized gains in the tax period, the use of harvested losses may be limited to a \$3,000 deduction against income and distributions. Losses harvested through the strategy that are not utilized in the tax period when recognized (e.g., because of insufficient capital gains and/or significant capital loss carryforwards), generally may be carried forward to offset future capital gains, if any.
- Be aware that if the Client and/or the Client's spouse have other taxable or non-taxable investment accounts, and the Client holds in those accounts any of the securities (including options contracts) held in the Client Account, the Client cannot trade any of those securities 30 days before or after Wealthfront Advisers trades those same securities as part of the tax-loss harvesting strategy to avoid possible wash sales and, as a result, a nullification of any tax benefits of the strategy. For more information on the wash sale rule, please read [IRS Publication 550](#).
- Wealthfront Advisers only monitors for tax-loss harvesting for accounts within Wealthfront Advisers. The Client is responsible for monitoring their and their spouse's accounts outside of Wealthfront Advisers to ensure that transactions in the same security or a substantially similar security do not create a "wash sale." A wash sale is the sale at a loss and purchase of the same security or substantially similar security within 30 days of each other. If a wash sale transaction occurs, the IRS may disallow or defer the loss for current tax reporting purposes. More specifically, the wash sale period for any sale at a loss consists of 61 calendar days: the day of the sale, the 30 days before the sale, and the 30 days after the sale. The wash sale rule postpones losses on a sale, if replacement shares are bought around the same time. Wealthfront Advisers may lack visibility to certain wash sales, should they occur as a result of external or unlinked accounts, and therefore Wealthfront Advisers may not be able to provide notice of such wash sale in advance of the Client's receipt of the IRS Form 1099.
- Except as set forth below, Wealthfront Advisers will monitor only a Client's (or Client's spouse's) accounts with Wealthfront Advisers to determine if there are unrealized losses for purposes of determining whether to harvest such losses. Transactions outside of accounts at Wealthfront Advisers may affect whether a loss is successfully harvested and, if so, whether that loss is usable by the Client in the most efficient manner. A Client may also request that Wealthfront Advisers monitor the client's spouse's accounts or their IRA accounts at Wealthfront Advisers to avoid the wash sale disallowance rule. A Client may request spousal monitoring online or by calling Wealthfront Advisers at (844)

995-8437. If Wealthfront Advisers is monitoring multiple accounts to avoid the wash sale disallowance rule, the first taxable account to trade a security will block the other account(s) from trading in that same security for 30 days.

- Under certain limited circumstances, there is a chance that Wealthfront Advisers trading attributed to tax-loss harvesting may create capital gains. In addition, tax-loss harvesting strategies may produce losses, which may not be offset by sufficient gains in the account.
- In order to avoid wash sales due to one or more transactions in the Client's or Client spouse's taxable or IRA Accounts, from time-to-time, a Client's IRA Account might invest in a so-called "secondary" ETF (as identified in Wealthfront Advisers' TLH white paper) rather than a so-called "primary" ETF identified in such white paper or in the Client's plan.

Potentially High Levels of Trading Risk - Wealthfront Advisers' investment strategies, including portfolio rebalancing and tax-loss harvesting, can lead to high levels of trading. High levels of trading could result in (a) bid-ask spread expense; (b) trade executions that may occur at prices beyond the bid-ask spread (if quantity demanded exceeds quantity available at the bid or ask); (c) trading that may adversely move prices, such that subsequent transactions occur at worse prices; (d) trading that may disqualify some dividends from qualified dividend treatment; (e) unfulfilled orders or portfolio drift, in the event that markets are disorderly or trading halts altogether; and (f) unforeseen trading errors.

Foreign Investing and Emerging Markets Risk - Foreign investing involves risks not typically associated with U.S. investments, and the risks may be exacerbated further in emerging market countries. These risks may include, among others, adverse fluctuations in foreign currency values, as well as adverse political, social and economic developments affecting one or more foreign countries. In addition, foreign investing may involve less publicly available information and more volatile or less liquid securities markets, particularly in markets that trade a small number of securities, have unstable governments, or involve limited industry. Investments in foreign countries could be affected by factors not present in the U.S., such as restrictions on receiving the investment proceeds from a foreign country, foreign tax laws or tax withholding requirements, unique trade clearance or settlement procedures, and potential difficulties in enforcing contractual obligations or other legal rules that jeopardize shareholder protection. Foreign accounting may be less transparent than U.S. accounting practices and foreign regulation may be inadequate or irregular.

ETF Risks, including Net Asset Valuations and Tracking Error - ETF performance may not exactly match the performance of the index or market benchmark that the ETF is designed to track because 1) the ETF will incur expenses and transaction costs not incurred by any applicable index or market benchmark; 2) certain securities comprising the index or market benchmark tracked by the ETF may, from time to time, temporarily be unavailable; and 3) supply and demand in the market for either the ETF and/or for the securities held by the ETF may cause the ETF shares to trade at a premium or discount to the actual net asset value of the securities owned by the ETF. Certain ETF strategies may from time to time include the purchase of fixed income, commodities, foreign securities, American Depositary Receipts, or other securities for which expenses and commission rates could be higher than normally charged for exchange traded

equity securities, and for which market quotations or valuation may be limited or inaccurate.

Clients should be aware that to the extent they invest in ETF securities they will pay two levels of advisory compensation – advisory fees charged by Wealthfront Advisers plus any management fee charged by the issuer of the ETF. This scenario may cause a higher advisory cost (and potentially lower investment returns) than if a Client purchased the ETF directly.

An ETF typically includes embedded expenses that may reduce the fund's net asset value, and therefore directly affect the fund's performance and indirectly affect a Client's portfolio performance or an index benchmark comparison. Expenses of the fund may include ETF management fees, custodian fees, brokerage commissions, and legal and accounting fees. ETF expenses may change from time to time at the sole discretion of the ETF issuer. Wealthfront Advisers discloses each ETF's current information, including expenses, on the Site. ETF tracking error and expenses may vary.

Inflation, Currency, and Interest Rate Risks – Security prices and portfolio returns will likely vary in response to changes in inflation and interest rates. Inflation causes the value of future dollars to be worth less and may reduce the purchasing power of an investor's future interest payments and principal. Inflation also generally leads to higher interest rates, which in turn may cause the value of many types of fixed income investments to decline. In addition, the relative value of the U.S. dollar-denominated assets primarily managed by Wealthfront Advisers may be affected by the risk that currency devaluations affect Client purchasing power.

College Savings Account Risks – College Savings Accounts are subject to various risks, including but not limited to:

Special Nature of Plan Interests - The Client and the Client's beneficiary do not have access or rights to any assets of the state sponsoring our 529 Plan or any assets of the state trust of the Section 529 college savings plan (a "Plan") other than the assets credited to the Client's account for that beneficiary. The college savings account is an investment vehicle. College savings accounts are subject to certain risks including: (i) the possibility that the Client may lose money over short or even long periods of time; (ii) the risk of changes in applicable federal and state tax laws and regulations; (iii) the risk of Plan changes including changes in fees and expenses; and (iv) the risk that contributions to the college savings account may adversely affect the eligibility of the beneficiary or the Client for financial aid or other benefits. Some MFSs in a Client's college savings account carry more and/or different risks than others. Clients should weigh such risks with the understanding that they could arise at any time during the life of the Client's account.

Municipal Fund Securities - When the Client contributes to the college savings account, the Client's money will be invested in MFSs. An investment in the Client's college savings account is not a bank deposit. None of the Client's account, the principal the Client invests, nor any investment return is insured or guaranteed by (i) any state or any state agencies, instrumentalities or funds, (ii) any officer, official, staff member of any state, (iii) any Plan or any program manager of any such Plan, (iv) any board of any state trust issuing MFSs for a Plan (a "Board"), (v) any such state trust (as "State Trust"), (vi)

Wealthfront Advisers, (vii) each of their respective affiliates, officials, officers, directors, employees and representatives, (viii) the federal government, (ix) the Federal Deposit Insurance Corporation (“FDIC”), or (x) any other governmental agency. Investment returns will vary depending upon the performance of the designated portfolios in the Client’s account. A Client could lose all or a portion of the Client’s investment.

Relatively Short Investment Time Horizon - Relative to investing for retirement, the holding period for college savings investors is very short (e.g., 10 years versus 60 years). Also, the need for liquidity during the withdrawal phase (to pay for qualified higher education expenses) generally is very important. Clients should strongly consider the level of risk they wish to assume when completing the risk questionnaire upon account opening.

Limited Investment Direction - Clients may not direct the underlying investments in their college savings account. The ongoing money management is the responsibility of Wealthfront Advisers. The only manner in which Clients can affect the money management is to change their risk score, which is limited to two times per year, or upon the change of the beneficiary. Once the permitted two per calendar year risk score changes are made in the Client’s account, a subsequent risk score change in the Client’s account within the same calendar year will not be processed. The choice of the underlying investments of the MFSs is subject to the approval of the Board. Automatic investment exchanges that occur as the Client’s assets move through the glide path do not count towards the Client’s twice per calendar year investment exchange limit.

Liquidity Risk - Investments in a Plan are considered less liquid than other types of investments (e.g., investments in mutual fund shares) because the circumstances in which a Client may withdraw money from a Plan account without a penalty or adverse tax consequences are significantly more limited.

Potential Changes to the Plan – Boards generally reserve the right, in their sole discretion, to discontinue the Plan or to change any aspect of the Plan. For example, the Board may change the Plan’s fees and expenses; add, subtract, or merge the MFSs; close a MFS to new investors; or change the program manager or the underlying investment(s) of a MFS. Depending on the nature of the change, a Client may be required to, or prohibited from, participating in the change with respect to accounts established before the change. A particular program manager may not necessarily continue as the Plan’s program manager, and Wealthfront Advisers may not necessarily continue as investment adviser and distributor to a Plan (although Wealthfront Advisers will continue as the Client’s investment adviser until either Wealthfront Advisers or the Client terminates that investment advisory relationship).

Changes to a Plan may or may not be beneficial to Clients. The Board may terminate the Plan by giving written notice to the Client, but even if the Board terminates the Plan, the Client and the Client’s beneficiary’s rights to the Client’s account assets will be unaffected. An MFS may be temporarily uninvested during a transition from one investment underlying an MFS to another underlying investment. The transaction costs associated with any liquidation, as well as any market impact on the value of the

securities being liquidated, will be borne by the MFS which ultimately may impact the individual portfolios holding that MFS.

Status of Federal and State Law and Regulations Governing a Plan - Federal and state law and regulations governing the administration of Plans could change in the future. In addition, federal and state laws on related matters, such as the funding of higher education expenses, treatment of financial aid, and tax matters are subject to frequent change. It is unknown what effect these kinds of changes could have on a college savings account. Clients should also consider the potential impact of any other state laws on their account. Clients should consult their tax advisor for more information.

Eligibility for Financial Aid - The treatment of college savings account assets may have an adverse effect on the beneficiary's eligibility to receive assistance under various federal, state, and institutional financial aid programs.

No Guarantee That Investments Will Cover Qualified Higher Education Expenses; Inflation and Qualified Higher Education Expenses - There is no guarantee that the money in a Client's college savings account will be sufficient to cover all of a beneficiary's qualified higher education expenses, even if contributions are made in the maximum allowable amount for the beneficiary. The future rate of increase in qualified higher education expenses is uncertain and could exceed the rate of investment return earned by a Plan account over any relevant period of time.

Investors in any Plan should read the Plan's offering documents and any related participation agreement carefully before investing or sending money.

Portfolio Line of Credit - Qualified clients who choose to use Wealthfront Brokerage's Portfolio Line of Credit are alerted to the following risks:

- Portfolio Line of Credit is a margin loan product offered exclusively to Clients of Wealthfront Advisers by Wealthfront Brokerage. Clients should review the risks listed below and in Wealthfront Brokerage's [Margin Handbook](#), and consider them before borrowing.
- Clients can lose more funds than deposited in their margin account. A decline in the value of securities that are purchased on margin may require Clients to provide Wealthfront Brokerage with additional funds to avoid the forced sale of those securities or other securities or assets in their margin account(s).
- Wealthfront Brokerage can force the sale of securities or other assets in Client margin account(s). If the equity in a Client margin account falls below the maintenance margin requirements, or our higher "house" requirements, Wealthfront Brokerage can sell the securities or other assets in any of the Client's margin account(s) held with Wealthfront Brokerage to cover the margin deficiency. Clients also will be responsible for any shortfall in the margin account after such a sale.
- Wealthfront Brokerage can sell Client securities or other assets in margin accounts without contacting the Client. Some investors mistakenly believe that a brokerage firm must contact them for a margin call to be valid, and that the brokerage firm cannot

liquidate securities or other assets in their accounts to meet the call unless the brokerage firm has contacted them first. This is not the case. While Wealthfront Brokerage will attempt to notify Clients of margin calls, Wealthfront Brokerage is not required to do so. However, even if Wealthfront Brokerage has contacted a Client and provided a specific date by which the Client can meet a margin call, Wealthfront Brokerage can still take necessary steps to protect its financial interests, including immediately selling the securities without notice to the Client.

Clients are not entitled to choose which securities or other assets in their account(s) are liquidated or sold by Wealthfront Brokerage to meet a margin call. Because the securities are collateral for the margin loan, Wealthfront Brokerage has the right to decide which security to sell in order to protect its interests.

- Wealthfront Brokerage can increase its “house” maintenance margin requirements at any time and are not required to provide advance written notice to Clients. These changes in Wealthfront Brokerage’s policy often take effect immediately and may result in the issuance of a maintenance margin call. A Client failure to satisfy the call may cause Wealthfront Brokerage to liquidate or sell securities in Client margin account(s).
- Clients are not entitled to an extension of time on a margin call. While an extension of time to meet margin requirements may be available to a Client under certain conditions, a Client does not have a right to the extension.

Item 7 Client Information Provided to Portfolio Managers

On a periodic basis, Wealthfront Advisers contacts each Client to remind them to review and update the investment profile information they previously provided. Wealthfront Advisers also requests that Clients reconfirm the same information on an annual basis. These notifications and confirmations include a link to the Client’s current information and contact information for the Wealthfront Advisers support team. Currently the Wealthfront Advisers team members whose tasks include supervising, arranging and responding to these notifications, confirmations and reviews are: the Client Services Manager and the Client Services team.

Wealthfront Advisers conducts separate reviews related to the ETFs used for Client portfolios. A committee comprised of Wealthfront Advisers’ CEO Andrew Rachleff and certain other Wealthfront Advisers officers who are not members of the Wealthfront Advisers investment research team approves these reviews. The committee has the authority, if necessary, to remove, add or replace an ETF from the portfolios advised by Wealthfront Advisers.

Item 8 Client Contact with Portfolio Managers

All client contacts and communications regarding participation in the Wealthfront Advisers Program will occur through contact with Wealthfront Advisers via email, the Site or the App. If Client changes Client’s investment profile information, Wealthfront Advisers will promptly make any appropriate changes to Client’s Account portfolio. See Item 16 in Wealthfront Advisers’ Form ADV Part 2A brochure for a description of Wealthfront Advisers’ discretionary investment authority, including the timing of Wealthfront Advisers’ placement of trade orders, for while Wealthfront Advisers seeks to respond to Client deposits, Client changes in risk

profiles, Client withdrawal requests, including without limitation requests in connection with terminations, and other reasonable Client requests in a timely and reasonable manner, Wealthfront Advisers does not represent or guarantee that Wealthfront Advisers will respond to any such Client actions or requests immediately or in accordance with set time schedule.

Item 9 Additional Information

A. Disciplinary Information

Like all registered investment advisers, Wealthfront Advisers is obligated to disclose any disciplinary event that might be material to any Client when evaluating our services. Wealthfront Advisers does not have any legal, financial, regulatory, or other disciplinary item to report to any Client. This statement applies to both Wealthfront Advisers and to every Wealthfront Advisers employee.

B. Other Financial Industry Activities and Affiliations

Wealthfront Advisers utilizes its affiliate, Wealthfront Brokerage, to effect transactions on behalf of Wealthfront Advisers' Clients for non-college savings accounts. Wealthfront Brokerage is both a carrying and introducing broker registered with FINRA and the SEC, whose sole purpose is to service Wealthfront Advisers' Clients. Wealthfront Brokerage, as a broker-dealer, has entered into an omnibus clearing agreement with RBC Capital Markets, LLC ("RBC CS," or "Clearing Broker"). Wealthfront Brokerage instructs the Clearing Broker on behalf of Wealthfront Advisers to clear and settle Wealthfront Advisers Client transactions on an omnibus basis for Client securities orders that Wealthfront Brokerage currently places with either Citadel LLC and Virtu Financial.

Wealthfront Brokerage also exclusively offers its Portfolio Line of Credit, a margin loan product, to Wealthfront Advisers Clients with taxable margin account balances that exceed \$100,000.

For taxable Client accounts with a minimum account size of \$100,000, Wealthfront Advisers' investment plan also includes an allocation to the Wealthfront Risk Parity Fund, a proprietary mutual fund managed by Wealthfront Strategies, a SEC-registered investment adviser and an affiliate of Wealthfront Advisers. Investment in the Wealthfront Risk Parity Fund is subject to an annual 0.25% fee charged by Wealthfront Strategies that covers all management and operational expenses. When the Wealthfront Risk Parity Fund was first offered to eligible client accounts in February of 2018, Clients were given an opportunity to opt-out of the Fund within a two-week period. Clients were provided disclosures regarding the management expenses of the Wealthfront Risk Parity Fund, as well as the relationship between Wealthfront Advisers and Wealthfront Strategies, the Fund's investment adviser. In addition, Clients may choose to opt-out of their risk parity allocation at any time.

C. Code of Ethics, Participation or Interest in Client Transactions and Personal Trading

Wealthfront Advisers' paramount ethical, professional, and legal duty is to act at all times as a fiduciary to its Clients. This means that Wealthfront Advisers puts the interests of its Clients *ahead of its own*, and carefully manages for any perceived or actual conflict of interest that may arise in relation to its advisory services. Wealthfront Advisers has adopted a Code of Ethics, which is designed to ensure that we meet our fiduciary obligation to Clients, enhance our culture of compliance within the firm, and detect and prevent any violations of securities laws.

Wealthfront Advisers' Code of Ethics (the "Code") establishes standards of conduct for all Wealthfront Advisers' "Employees" (as defined in the Code), including all officers, directors, employees, certain contractors and others, and is consistent with the code of ethics requirements of Rule 204A-1 under the Investment Advisers Act of 1940, as amended. The Code includes general requirements that all Employees comply with their fiduciary obligations to Clients and applicable securities laws, and specific requirements relating to, among other things, personal trading, insider trading, conflicts of interest, and confidentiality of client information.

Each new Wealthfront Advisers' Employee receives a copy of the Code when hired or engaged by Wealthfront Advisers. Wealthfront Advisers sends copies of any amendments to the Code to all Supervised Persons, who must acknowledge in writing having received the Code and the amendments. Annually or as otherwise required, each Supervised Person must confirm to Wealthfront Advisers that he or she has complied with the Code during such preceding period.

With certain exceptions specified in the Code, under the Code, Wealthfront Advisers' Employees may personally invest in securities recommended by Wealthfront Advisers, specifically the ETFs recommended for each asset class and individual large and mid-capitalization stocks recommended for advanced forms of TLH. Transactions in ETFs have been pre-approved for trading by Wealthfront Advisers' Chief Compliance Officer based on the security's liquidity profile and structural characteristics. Wealthfront Advisers' Employees may also buy or sell specific securities for their own accounts that are not purchased or sold for Clients. Under certain circumstances, Employees may also buy and sell securities that are bought or sold for Clients. These personal transactions require pre-approval from Wealthfront Advisers' compliance department who determines if any actual or perceived conflicts exists with Clients. These personal securities transactions are subject to certain limitations such as the size of the trade and the market capitalization size of the issuer company. Wealthfront Advisers monitors the securities transactions of all Employees and investigates any failure to receive pre-clearance as well as any unusual patterns that it detects. It also requires all Employees to report any violations of the Code promptly to Wealthfront Advisers' Chief Compliance Officer. The complete Code of Ethics is available to any client or prospective Client upon request.

D. Review of Accounts

Wealthfront Advisers provides all Clients with continuous access via the Site where Clients can access their Account documents, such as account statements, and review their time-weighted and money-weighted returns. Clients may also receive periodic e-mail communications describing

portfolio performance, Account information, and product features.

Wealthfront Advisers' software-based investment advisory service assumes that a portfolio created using MPT-based techniques will not stay optimized over time and must be periodically rebalanced back to its original targets to maintain the intended risk level and asset allocations. Wealthfront Advisers reviews each Client's Account when it is opened and using software, continuously monitors and periodically rebalances each Client's portfolio to seek to maintain a Client's targeted risk tolerance and optimal return for the Client's risk level. Wealthfront Advisers also conducts reviews when Clients make changes to their risk profiles. Wealthfront Advisers considers tax implications in taxable accounts and the volatility associated with each of its chosen asset classes when deciding when and how to rebalance.

On a periodic basis, Wealthfront Advisers contacts each Client to remind them to review and update personal profile information they previously provided. Wealthfront Advisers also requests that Clients reconfirm the same information on an annual basis. These notifications and confirmations include a link to the Client's current information and contact information for the Wealthfront Advisers support team. Currently the Wealthfront Advisers team members whose tasks include supervising, arranging and responding to these notifications, confirmations and reviews are: the Client Services Manager and the Client Services team.

Wealthfront Advisers periodically reviews the ETFs used for Client portfolios. Wealthfront Advisers' Investment Committee, a committee comprised of Wealthfront Advisers' CEO Andrew Rachleff and certain other Wealthfront Advisers officers who are not members of Wealthfront Advisers investment research team, approves of these reviews. The committee has the authority, if necessary, to remove, add or replace an ETF from the portfolios advised by Wealthfront Advisers.

E. Client Referrals and Other Compensation

Wealthfront Advisers expects from time to time to run promotional campaigns to attract Clients to open Accounts on the Site. These promotions may include additional Account services or products offered on a limited basis to select Clients, more favorable fee arrangements, and/or reduced or waived advisory fees for Clients, including Wealthfront Advisers' Invite Program pursuant to which Clients may invite friends, family and others to open an account with Wealthfront Advisers. Wealthfront Advisers waives its advisory fee on \$5,000 of Account assets for both the referring Client and the referred Client for each referral. Wealthfront Advisers may also invite non-Clients to open an account with Wealthfront Advisers via the Invite Program. For non-Clients who become Clients via direct invitation from Wealthfront Advisers, Wealthfront Advisers will waive its advisory fee on a predetermined amount of the Client's Account assets.

These arrangements may create an incentive for a third party or other existing Client to refer prospective Clients to Wealthfront Advisers, even if the third party would otherwise not make the referral. These arrangements may also create a conflict of interest for a Client to maintain a certain level of assets managed through Wealthfront Advisers if doing so would result in eligibility to receive an incentive, bonus or additional compensation.

While it is not a common practice, Wealthfront Advisers from time to time has engaged solicitors whom it pays for Client referrals. Wealthfront Advisers discloses this practice in writing to the affected Clients and complies with the requirements of Rule 206(4)-3 under the Investment Advisers Act of 1940, as amended, to the extent required by applicable law.

F. Financial Information

Wealthfront Advisers does not require or solicit the prepayment of any advisory fees, and does not have any adverse financial condition that is reasonably likely to impair our ability to continuously meet our contractual commitments to our Clients.

Wealthfront Brokerage LLC Disclosures

Wealthfront Brokerage LLC Business Continuity Plan Disclosure

Wealthfront Brokerage LLC (“Wealthfront Brokerage” and formerly known as Wealthfront Brokerage Corporation) has developed a Business Continuity Plan on how we will respond to events that significantly disrupt our business. Since the timing and impact of disasters and disruptions is unpredictable, we will have to be flexible in responding to actual events as they occur. With that in mind, we are providing you with this information about our Business Continuity Plan.

Contacting Us – If after a significant business disruption you cannot contact us as you usually do at (844) 995-8437.

Our Business Continuity Plan – We plan to recover quickly and resume business operations after a significant business disruption and respond by safeguarding our employees and property, making a financial and operational assessment, protecting Wealthfront Brokerage’s books and records, and allowing our clients to transact business. In short, our business continuity plan is designed to permit Wealthfront Brokerage to resume operations as quickly as possible, to the extent possible given the scope and severity of the significant business disruption.

Our Business Continuity Plan addresses: data backup and recovery; all mission critical systems; financial and operational assessments; alternative communications with clients, employees, and regulators; alternate physical location of employees; critical supplier, contractor, bank and counter-party impact; regulatory reporting; and assuring our clients prompt access to their funds and securities if we are unable to continue our business.

Wealthfront Brokerage backs up its important records in a geographically separate area. While every emergency situation poses unique problems based on external factors, such as time of day and the severity of the disruption, its our objective to restore operations and be able to complete existing transactions and accept new transactions and payments within 4-12 hours. Your trading instructions and requests for funds and securities could be delayed during this period.

Varying Disruptions – Significant business disruptions can vary in their scope in that they may affect just Wealthfront Brokerage, or a single building housing Wealthfront Brokerage, or the business district where Wealthfront Brokerage is located, or the city where Wealthfront Brokerage is located, or the whole region. Within each of these areas, the severity of the disruption can also vary from minimal to severe. In a disruption to only Wealthfront Brokerage or the building housing Wealthfront Brokerage, we will transfer our operations to a local site if necessary and expect to recover and resume business within 2-3 hours. In a disruption affecting our business district, city, or region, we will transfer our operations to a site outside of the affected area, and plan to recover and resume business within 1-2 days. In either situation, we plan to continue in business, and notify you through our client emergency number, (650) 249-4258, which is how you will be able to contact us. If the significant business disruption is so severe that it prevents us from remaining in business, we will assure our clients prompt access to their funds and securities.

Important Disclaimers - Wealthfront Brokerage will adhere to the procedures set forth in its Business Continuity Plan and described in this disclosure to the extent commercially reasonable and practicable under prevailing circumstances. However, there are innumerable potential causes of a business disruption. In addition, disruptions (and the events that caused them) may vary significantly in nature, size, scope, severity, duration and geographic location and will result in distinct degrees of harm to human life; firm assets; the national banking system, securities exchanges, clearing houses and depositories with which Wealthfront Brokerage conducts business; and local, regional and national systems infrastructure (e.g., telecommunications, Internet connectivity, power generation and transportation) that could affect Wealthfront Brokerage’s recovery in vastly disparate ways. In recognition of this, Wealthfront Brokerage reserves the right to flexibly respond to particular emergencies and business disruptions in a situation-specific manner that it deems prudent under the circumstances, in its sole discretion. Nothing in this document is intended to provide a guarantee or warranty regarding the actions or performance of its computer systems, or its personnel in the event of a significant disruption.

Wealthfront Brokerage may modify its Business Continuity Plan and this disclosure at any time. Should you wish to receive a copy of an updated disclosure by mail or by email, please contact Wealthfront Brokerage.

Important Information You Need to Know about Opening a New Account

To help the government fight money laundering activities and the funding of terrorism, federal law requires financial institutions to obtain, verify and record information that identifies each person who opens an account.

No person shall bring a putative or certified class action to arbitration, nor seek to enforce any pre-dispute arbitration agreement against any person who has initiated in court a putative class action; or who is a member of a putative class who has not opted out of the class with respect to any claims encompassed by the putative class action until: (i) the class certification is denied; or (ii) the class is de-certified; or (iii) the customer is excluded from the class by the court.
