529 College Plan Automated Investing Account Advisory Client Agreement

Revision date: December 2022

You ("Client") and Wealthfront Advisers LLC, a Delaware limited liability company and an SEC-registered investment adviser ("Wealthfront Advisers"), agree to enter into an investment advisory relationship (the "Agreement"). Wealthfront Advisers shall exclusively manage the securities and other eligible assets in account(s) that you establish at Wealthfront Brokerage LLC ("Wealthfront Brokerage") in connection with this Agreement. This Agreement is solely available to lawful residents of the United States and its territories. This Agreement is effective as of the first day a brokerage account is opened in connection with this Agreement and is ready to receive trading instructions from Wealthfront Advisers (the “Effective Date”). In consideration of the mutual covenants herein, Client and Wealthfront Advisers agree as follows:

1. Services

Client appoints Wealthfront Advisers to exclusively manage one or more accounts established and owned by Client at Wealthfront Brokerage (each a “Client Account,” “Automated Investing Account” or “Account”). In this capacity, Wealthfront Advisers shall manage the Accounts in accordance with an investment plan recommended by Wealthfront Advisers to Client from time to time based on objectives, risk tolerance, and other profile information for the Account provided by Client (“Investment Profile”) and in accordance with certain additional investment options that may be designated by Client (the “Plan”). Client authorizes Wealthfront Advisers to supervise and direct the investment and reinvestment of assets in the Client Accounts, with full authority and discretion (without consultation with the Client), on the Client’s behalf and at the Client’s risk, and in accordance with the Client’s Plan, to purchase and sell eligible assets and securities, including but not limited to stocks, exchange-traded funds (“ETFs”), mutual funds (including without limitation money market mutual funds as separate investments from the Plan), and/or similarly traded instruments that are regulated as securities and not as commodities (collectively “Securities”), as well as to manage cash balances within the Client Accounts. Without in any way limiting the foregoing and for the avoidance of doubt, Client cannot issue individual trading instructions to Wealthfront Advisers or to Wealthfront Brokerage to purchase and/or sell specific Securities to be executed at particular times, provided however, if Client has opted for certain PassivePlus investment options that invest in individual issuers of Securities as part of the Client’s Plan, then Wealthfront Advisers, in its sole and absolute discretion and without any obligation to the Client in each case, may permit Client to restrict the purchase of one or more issuers of Securities in his or her Account. Only Wealthfront Advisers shall have authority to issue trading instructions to purchase and sell Securities in the Client Accounts based on the discretionary authority granted to Wealthfront Advisers by Client under this Agreement. Wealthfront Advisers shall not have any duty or obligation to advise or take any action on behalf of Client in, or in connection with, any legal proceedings, including bankruptcies or class actions, involving Securities held in, or formerly held in, the Account, or involving the issuers of such Securities. Notwithstanding anything in this Agreement to the contrary, Wealthfront Advisers shall have no authority hereunder to take or have possession of any assets in the Account or to direct delivery of any Securities or payment of any funds held in the Account to itself or to direct any disposition of such Securities or funds, except to Client, as directed by Client, pursuant to valid legal authority, or as provided in Section 5 (entitled “Fees and Compensation”).

2. Representations and Warranties.

(a) Client represents and warrants to Wealthfront Advisers and agrees with Wealthfront Advisers as follows:

i. Client has the requisite legal capacity, authority, and power to execute, deliver and perform his or her obligations under this Agreement. This Agreement has been duly authorized, executed and delivered by Client and is the legal, valid, and binding agreement of Client, enforceable against Client in accordance with its terms. Client’s execution of this Agreement and the performance of his or her obligations hereunder do not conflict with or violate any obligations by which Client is bound, whether arising by contract, operation of law or otherwise. If the Client is an entity, the individual trustee, agent, representative or nominee (the “Client Representative”) executing this Agreement on behalf of Client has the requisite legal capacity, authority, and power to execute, deliver and perform such execution and the obligations under this Agreement as applicable. Specifically, if the Client is a corporation, limited liability company, partnership, or other legal entity that is not an individual, the Client Representative entering into this Agreement on such Client’s behalf has been authorized to execute this Agreement by an appropriate corporate member or manager, partnership, or similar action. If this Agreement is entered into by a trustee or fiduciary, the trustee or fiduciary has authority to enter into this Agreement on behalf of the Client. The
Client has the power and authority to enter into this Agreement, and the services described herein are authorized under the Client's applicable articles, certificate, charter, operating agreement, partnership agreement, plan document, trust or organizational, delegation or formation documents or law. Upon Wealthfront Advisers' request, Client will deliver to Wealthfront Advisers evidence of Client's and Client Representative's authority. Client will promptly notify Wealthfront Advisers of any change in such authority, including but not limited to an amendment to Client's organizational, delegation or formation documents that changes the information Client provided to Wealthfront Advisers at the time Client opened the Account. Client Representative has the authority to act on behalf of the Account, and Wealthfront Advisers is entitled to rely upon and may accept such instructions from the Client Representative. Client and Client Representative acknowledge that the manner in which such instructions are provided may be limited, for example, where only one Client Representative has log-in privileges to the Account, and that Wealthfront Advisers shall not be required or expected to seek confirmation of instructions from any other Client Representatives.

ii. For Entity Clients: If Client Representative is entering into this Agreement, Client and Client Representative understand and agree that the representations, warranties, and agreements made herein are made by Client both: (a) with respect to Client; and (b) with respect to the Client Representative.

iii. For Joint Account Clients (With Rights of Survivorship): If Clients are entering into this Agreement with respect to joint Account, Client understands and agrees that the representations, warranties and agreements made herein are made on behalf of all of the joint Account holders and further agrees that each (a) is a Client; (b) has the authority to act on behalf of the joint Account and Wealthfront Advisers is entitled to rely upon and may accept such instructions from any one Client, which may be limited due to only one of the Clients having login privileges to the joint Account, and that Wealthfront Advisers shall not be required or expected to seek confirmation of, or consent to execute, instructions from any other Client(s); (c) is jointly and severally liable for performance of the terms of this Agreement; and (d) that in the case of death of any of the joint Account Clients, interest in the entire Account shall vest in the surviving account Client(s) under the same terms and conditions of this Agreement and the surviving account Client(s) shall promptly provide Wealthfront Advisers with written notice thereof and any documentation reasonably requested by Wealthfront Advisers in its administration of the Account.

iv. Client is, and shall be, the owner or co-owner of all cash and Securities in the Account, and there are no restrictions on the pledge, hypothecation, transfer, sale or public distribution of such cash or Securities.

v. Client acknowledges that a Plan may include only a single ETF for each asset class within the Plan, with each ETF playing a necessary role in the overall investment strategy and, therefore, Client understands and acknowledges that the Client cannot force exclusions or restrictions of ETFs recommended by Wealthfront Advisers as part of the Plan.

vi. Client will provide Wealthfront Advisers with complete, current, and accurate information about Client’s identity, background, net worth, investing timeframe, other risk considerations, any Securities from which Client may be or become legally restricted from buying or selling and other investment accounts in the Investment Profile and will promptly update that information as Client’s circumstances change.

vii. It will be Client’s responsibility to read all information provided by Wealthfront Advisers related to transactions in Client’s Account, including all recommendations and advice available to Client on the Site and in the App. Client further agrees that Wealthfront Advisers will only transmit such recommendations and advice to Client via the App and/or the Site and has no obligation to deliver any investment advice or recommendations to Client in another manner, for example, via telephone or in an in-person meeting. Client agrees that it is Client’s obligation to monitor all communications available from Wealthfront Advisers via email, on the Site, and in the App.

viii. Client also understands that Client must have access to a mobile phone capable of receiving SMS text message communications in order to create and maintain an Account.

ix. Client acknowledges that the Wealthfront Advisers and Wealthfront Brokerage are subject to certain anti-money laundering (“AML”) and related provisions under applicable laws, rules, and regulations and are otherwise prohibited from engaging in transactions with, or providing services to, certain foreign countries, territories, entities and individuals, including without limitation, specially
designated nationals, specially designated narcotics traffickers, and other parties subject to United States
government or United Nations sanctions and embargo programs (collectively “AML Laws”). Accordingly,
Client hereby represents and warrants the following and shall promptly notify Wealthfront Advisers if any
of the following ceases to be true and accurate: (a) to the best of the Client’s knowledge based upon
appropriate diligence and investigation, none of the cash, eligible assets, or property that the Client has
delivered, or will deliver, or has paid, or will pay, to Wealthfront Advisers, any of its affiliates or its
clearing broker has been or shall be derived from or related to any activity that is deemed criminal under,
or otherwise contrary to, United States law, nor will any of the Client’s deliveries to the Account or
payments to Wealthfront Advisers directly or indirectly contravene United States federal, state, international
or other laws or regulations, including without limitation any AML Laws and (b) no contribution or payment by,
or on behalf of, Client to Wealthfront Advisers shall cause Wealthfront Advisers or Wealthfront Brokerage to be in violation of any AML Laws. Client understands and agrees
that if at any time it is discovered that any of the representations in this Section 2(a)(ix) are untrue or
inaccurate, or if it suspects that such is the case, or if otherwise required by applicable law or regulation
related to money laundering and similar activities, Wealthfront Advisers may undertake appropriate
actions to ensure compliance with applicable law or regulation, including, but not limited to, freezing or
forcing a withdrawal of the Client’s cash or assets from Wealthfront Advisers and notifying regulatory
authorities, including without limitation, through filing of one or more suspicious activity reports. Client
further understands and agrees that Client’s access to products and services may be restricted while in
certain foreign countries or territories, in accordance with AML Laws and policies of Wealthfront
Brokerage, its clearing broker, and Wealthfront Advisers.

x. Client acknowledges that Wealthfront Advisers or Wealthfront Brokerage may require further
documentation verifying Client’s identity or the identity of the Client’s beneficial owners, if any, and the
source of funds used to make deliveries to the Account or payment to Wealthfront Advisers. Client hereby
agrees to provide such documentation as may be requested by Wealthfront Advisers. Furthermore, Client
acknowledges and agrees that Wealthfront Advisers and Wealthfront Brokerage may release confidential
information regarding Client and, if applicable, any of Client’s beneficial owners, to government
authorities, if Wealthfront Advisers, in its sole discretion, determines that releasing such information is
permitted or required by applicable law or industry regulation.

xi. If Client specifically provides a photograph of Client's likeness and/or other personal identifying
information to Wealthfront Advisers for the purpose of public display, then Client hereby grants
permission to Wealthfront Advisers to use the provided photograph of Client's likeness, Client's name
and/or other personal information, in a commercially reasonable manner on its website
www.wealthfront.com (the “Site”) or its related mobile application (the “App”), on any related and/or
affiliated sites, and in marketing materials now and in the future, until such time as this Agreement is
terminated by either party. Client waives any and all rights to compensation as a result of such use of
Client’s explicitly provided photograph of Client's likeness, Client's name and/or other information

xii. As of the Effective Date, and at all times during the term of this Agreement, none of the
Account’s assets are or will be assets of “employee benefit plans” within the meaning of the Federal

xiii. Client agrees to use Wealthfront Advisers solely for Client’s personal, non-commercial use, and
not in connection with any competitive analysis (as determined by Wealthfront Advisers).

xiv. Client acknowledges and agrees that the Account is subject to the laws and regulations of various
governmental and self-regulatory organizations, which at times may require Wealthfront Advisers and its
affiliates to take action with respect to the Account, including, but not limited to, suspending, restricting,
or terminating transactions and transfers.

(b) Client understands and agrees that (A) neither Wealthfront Brokerage nor Wealthfront Advisers
guarantees the performance of the Account, guarantees a profit, or protects against losses, including loss in principal
value; (B) the Account is not insured against loss of income or principal; (C) there are significant risks associated with
investing in Securities, including, but not limited to, the risk that the Account could suffer substantial diminution in
value, and this risk applies even when the Account is managed by an investment adviser; (D) the past performance of
any benchmark, market index, ETF, or other Security does not indicate its future performance, and future transactions
will be made in different Securities and different economic environments; (E) Wealthfront Advisers will cause the
Account to invest in Securities substantially in the proportions set forth by the Plan (subject to the profile information
received from Client and to various other factors, including without limitation Client deposits or withdrawals,
variations in the allocations due to movements in the prices of Securities over time, revisions of the Plan by Wealthfront Advisers from time-to-time consistent with Client’s profile information, and Client’s elections; (F) Wealthfront Advisers will provide only the specific reviews and restrictions described in this Agreement and will not otherwise review or control such Account; and (G) there are significant risks associated with any investment program and with exposure to the securities markets and other eligible assets markets.

i. Client understands and agrees that Wealthfront Advisers’ sole obligation hereunder or otherwise is to manage the Account in accordance with the Plan, and notwithstanding any duty or obligation Client Representative may have to an entity Client, Client has not engaged Wealthfront Advisers to provide any individual financial planning services, regardless of whether Client is an entity or a natural person. Client understands and agrees that Wealthfront Advisers may at any time in its sole discretion determine that an Account may require reallocation of Securities.

ii. Client understands and agrees that the Account will be managed solely by Wealthfront Advisers based on the information Client has provided to Wealthfront Advisers. Client further understands that if any of the information Client provides to Wealthfront Advisers is or becomes incomplete or inaccurate, the Account’s activities may change and, as a result, would be less likely to achieve Client’s desired investment or tax strategy; or the Account may purchase Securities from which Client is restricted from purchasing at that time or the Plan may otherwise be inappropriate for Client. An Account’s transactions may be aggregated with and/or executed at approximately the same time as transactions in other client accounts managed by Wealthfront Advisers or which have engaged Wealthfront Advisers to act as the Client’s investment adviser. As a result of such transaction aggregations, which Wealthfront Brokerage, as agent for Wealthfront Advisers, is permitted to carry out, the price at which Client’s transaction is executed may be different than it would be if Client’s transaction was executed on an individual basis and may be less advantageous.

iii. Client understands and agrees that Wealthfront Advisers has sole discretion regarding the manner in which transaction orders are placed for the purchase and sale of Securities for the Client Account(s). Client further understands and agrees that prices of Securities purchased and sold for the Client Account(s) may be less favorable than the prices obtained for the same Securities in similar transactions by other client accounts managed by Wealthfront Advisers and/or other non-related market participants.

iv. Client understands and agrees that an Account’s composition and performance may be different for a variety of reasons from those of any Plan recommendation to a Client. These differences can arise each time the Plan is adjusted or rebalanced, including, but not limited to, the following instances: (A) when the Account is established and the initial Securities positions are established; (B) when Client contributes additional capital to such Account; (C) when Client revises the Investment Profile, makes any elections or changes to their allocations, or takes any other action that causes Wealthfront Advisers to recommend a new Plan or revise the existing Plan; (D) each time the Advisory Fee (described in Section 5 of this Agreement) is charged and paid from such Account; and (E) any time Wealthfront Advisers adjusts its algorithm by which the composition of the Account is maintained as specified for the Plan. On any such adjustment, Wealthfront Advisers may adjust the Plan in its discretion to approximate the composition specified in the Plan as closely as reasonably practicable based on the conditions at the time.

v. Client understands and agrees that the prices of Securities purchased or sold for the Account may be less favorable than the prices in similar transactions for other Wealthfront Advisers’ Clients for whom Wealthfront Advisers has designated different Plans.

vi. Client understands and agrees that the Account must maintain at all times a minimum balance ($500 or as otherwise specified by Wealthfront Advisers on the Site or App) unless the balance drops below the specified minimum due solely to decreases in the values of the Account’s Securities and not due to any withdrawals of funds while the balance of the Account met the minimum as provided in this Section 2(b)(vi). Without in any way limiting Wealthfront Advisers’ rights pursuant to Section 13 hereof, if the Account balance falls below the specified minimum, Wealthfront Advisers may liquidate the Account holdings, deliver the proceeds of the liquidation to Client, and close the Account.

3. Custody

Client has appointed Wealthfront Brokerage, through its clearing broker, as its broker and custodian for the Account pursuant to a separate “529 College Plan Automated Investing Account Customer Brokerage and Custody Agreement.” Wealthfront Advisers shall not be liable to Client for any act, conduct or omission by Wealthfront
Brokerage and/or the clearing broker in their capacity as broker or custodian. At no time will Wealthfront Advisers accept, maintain possession, or have custodial responsibility for Client’s assets or Securities. Client assets and Securities will be delivered to the Account exclusively by Wealthfront Brokerage and its clearing broker and consistent with their delivery and settlement instructions.

4. Confidentiality

Except as required by law or requested by regulatory authorities, (a) Wealthfront Advisers agrees to maintain in strict confidence all of Client’s non-public personal and financial information that Client furnishes to Wealthfront Advisers, except for information that Client explicitly agrees to share publicly, and (b) Client agrees to maintain in strict confidence all investment advice and other non-public information that Client acquires from Wealthfront Advisers in connection with the Account. Client agrees that Client shall not use investment recommendations and other confidential information Client receives from Wealthfront Advisers for any purpose other than managing the Account, including, but not limited to, developing a service that competes with the Site or Wealthfront Advisers’ services. Client acknowledges receipt of and consents to Wealthfront Advisers’ Privacy Policy available at www.wealthfront.com/legal/privacy. Client further acknowledges that the Plan’s recordkeeper and custodian will have access to Client’s non-public personal and financial information that Client furnishes to Wealthfront Advisers. Client understands, acknowledges, and agrees that Client can opt-out of certain portions of the Wealthfront Advisers Privacy Policy at any time; however, if the Client does opt out, Wealthfront Advisers may choose to terminate this Agreement and all related Accounts. Notwithstanding any provisions in this Agreement to the contrary, Wealthfront Advisers may share Client’s non-public personal and financial information with affiliates of Wealthfront Advisers in connection with providing and/or enhancing the services provided to Client.

5. Fees and Compensation

Wealthfront Advisers specifies the annual advisory fee rate it charges for the products and services provided to Client under this Agreement (the “Advisory Fee”) and posts the Advisory Fee on the Client’s Account page on the Site and the App. Fees due shall be calculated by multiplying the Advisory Fee by the net market value of the Account as of the close of trading on the New York Stock Exchange (“NYSE”) (herein, “close of markets”) on such day, or as of the close of markets on the immediately preceding trading day for any day when the NYSE is closed, and then by dividing by 365 (except in any leap year, during which year the amount shall be divided by 366). Except as provided below, the fees due for each calendar month (consisting of the aggregate of the daily fee for each day in that calendar month) shall be due and payable in arrears no later than the tenth business day of the immediately following calendar month. Wealthfront Advisers will promptly notify Client of any increase or decrease in the Advisory Fee. An increase in the Advisory Fee will be effective for the Account starting in the next month that begins at least 30 days after Wealthfront Advisers sends or posts such notice. A reduction in the Advisory Fee will be effective for the Account starting in the next month following its reduction.

(a) If Client closes the Account, withdraws the entire balance of the Account, or otherwise terminates this Agreement on any date other than the last business day of the month, Wealthfront Advisers will continue to collect the Advisory Fee as described herein through the effective date of such withdrawal or termination.

(b) If, for any reason, Wealthfront Advisers closes and liquidates all the positions held in the Account, Client will receive the proceeds of the liquidated portion of the Account net of any Advisory Fee due, and this Agreement shall terminate.

(c) If, for any reason, there is insufficient cash available in the Account to cover the Advisory Fees at the time they are charged, Wealthfront Advisers, in its sole discretion, may cause certain Securities in the Account to be liquidated to allow the Advisory Fee to be deducted from the Account.

(d) Wealthfront Advisers reserves the right, in its sole and absolute discretion, to reduce or waive the Advisory Fee for certain Client Accounts for any period of time determined by Wealthfront Advisers. In addition, Client agrees that Wealthfront Advisers may waive its fees for the Accounts of clients other than Client, without notice to Client and without waiving its fees for Client. In exercise of its sole and absolute discretion Wealthfront Advisers may amend or terminate any reduction or waiver of the Advisory Fee. Wealthfront Advisers will promptly notify Client of any increase or decrease in the reduction or waiver of the Advisory Fee. A change in the waiver or reduction of the Advisory Fee will be effective for the Account starting in the next month that begins at least 30 days after Wealthfront Advisers sends or posts such notice.
6. Valuation

The assets in the Account will be valued by Wealthfront Brokerage.

7. Responsibility for Expenses

Wealthfront Advisers earns an Advisory Fee as provided in Section 5. Clients may bear additional fees, however, such as fees embedded in the products (including without limitation ETFs or mutual funds) held in the Account. Furthermore, Wealthfront Brokerage may charge Clients additional fees or expenses for optional brokerage services or products. Client shall be responsible for tax withholding on the Account.

8. Payment of Fees

Wealthfront Advisers may, in its discretion, either (a) cause the Account to pay to Wealthfront Advisers any amount owing to Wealthfront Advisers or Wealthfront Brokerage under this Agreement or (b) bill Client for such amount, in which case Client shall pay such amount to Wealthfront Advisers within ten (10) days of Client’s receipt of such bill. If Wealthfront Advisers causes the Account to pay Wealthfront Advisers or Wealthfront Brokerage directly, Wealthfront Advisers will inform Wealthfront Brokerage of the amount of the Advisory Fee to be paid to Wealthfront Advisers directly from the Account and notify Client, after the Advisory Fee has been charged, the amount of the Advisory Fee and the net market values of Client’s assets on which the Advisory Fee has been based. Notification to Client will be through Client’s user account on the Site, the App, or by email at the address(es) provided by Client to Wealthfront Advisers.

9. Portfolio Transactions

(a) Wealthfront Advisers will route orders for the execution of transactions for the Client Account to Wealthfront Brokerage, for on-routing to third party broker-dealers in accordance with Wealthfront Advisers’ Form ADV Part 2 (available at https://www.wealthfront.com/static/documents/form_adv_part_2.pdf) as may be amended from time to time. By entering this Agreement, Client acknowledges that Client has received and considered the Form ADV Part 2. In seeking to achieve best execution, Wealthfront Advisers shall not have any responsibility for obtaining for the Account the lowest possible prices or any particular commission rates.

(b) Client agrees that Wealthfront Advisers, or any person controlling, controlled by, or under common control with Wealthfront Advisers, may act as broker for both Client and for another person on the other side of any transaction involving funds or Securities in the Account (“Agency Cross Transaction”). Client recognizes that Wealthfront Advisers or its affiliates may receive commissions and have a potentially conflicting division of loyalties and responsibilities regarding both parties to such Agency Cross Transactions. If Wealthfront Advisers engages in an Agency Cross Transaction, Wealthfront Advisers or its designee will send to Client a written confirmation at or before the completion of each such Agency Cross Transaction, which confirmation will include (i) a statement of the nature of such Agency Cross Transaction, (ii) the date such Agency Cross Transaction shall have taken place, (iii) an offer to furnish, on request, the time when such Agency Cross Transaction shall have taken place, and (iv) the source and amount of any other remuneration received or to be received by Wealthfront Advisers or any of its affiliates in connection with such Agency Cross Transaction. Wealthfront Advisers shall also send to Client, at least annually, a written statement identifying the total amount of such Agency Cross Transactions during the period included in the statement, and the total commissions or other remuneration received or to be received by Wealthfront Advisers or any of its affiliates in connection with such Agency Cross Transaction included in the statement. The consent to Agency Cross Transactions set forth in this Section 9 may be revoked by Client at any time by notifying Wealthfront Advisers in writing.

(c) Wealthfront Advisers may make available for investment certain products that are offered by or affiliated with Wealthfront Advisers and/or its affiliates. Client understands that Wealthfront Advisers and its affiliates may receive compensation for services, including advisory services and other services, provided to such affiliated products. To the extent Client is invested in such products, Client will bear its proportional share of such compensation. Client should refer to the applicable Form ADV Part 2 for a description of the conflicts of interest that may be associated with the offering of affiliated investment products. By entering this Agreement, Client acknowledges that Wealthfront may have conflicts of interest in connection with providing advice to clients, and Client hereby consents to such conflicts to the extent disclosed by Wealthfront Advisers.
10. Automated Savings Plan

By enabling Wealthfront Advisers automatic cash allocation features (the “Automated Savings Plan” formerly known as “Autopilot”), Client expressly authorizes Wealthfront Advisers to periodically scan Client’s linked deposit account(s) or Cash Account for excess cash (as determined by Client in the App or Site). Client hereby also authorizes Wealthfront Advisers to instruct Wealthfront Brokerage to withdraw funds from the designated account and deposit those funds into Client’s Account or Cash Account in accordance with the standing instructions Client provides in the App or Site. By enabling the Automated Savings Plan, Client acknowledges that Wealthfront Advisers relies on third-party linking data to provide the Automated Savings Plan, and Client understands that neither Wealthfront Advisers nor Wealthfront Brokerage guarantees the accuracy or completeness of such third-party data. Client also understands that Wealthfront Brokerage relies on third-parties to effect banking transactions and cannot guarantee the speed or timing in which those third-parties conduct transactions related to the Automated Savings Plan or the Cash Account.

By enabling the Automated Savings Plan, Client expressly agrees to hold Wealthfront Advisers, as well as its affiliates and Indemnified Persons (as defined below), harmless for any and all claimed losses, damages, liabilities, and expenses that arise, either directly or indirectly, out of transactions initiated by Wealthfront Advisers in connection with the Automated Savings Plan or the Cash Account, including, but not limited to, overdraft fees, tax liabilities, and transaction fees. Furthermore, Client acknowledges that Client must provide Wealthfront Advisers a reasonable amount of time to act upon revocation of authorization of the Automated Savings Plan, in each instance, no less than one (1) full Federal Reserve System business day prior to a scheduled withdrawal.

11. Limitation of Liability and Indemnification

To the extent permitted under applicable law, Client (and in addition, for entity accounts, Client Representative) indemnifies and holds harmless Wealthfront Advisers, its affiliates and their directors, managers, members, officers, shareholders, employees and any person controlled by or controlling Wealthfront Advisers (the Indemnified Persons) against any and all losses, expenses, damages, liabilities, charges, and claims of any kind or nature whatsoever (including without limitation any legal expenses and costs and expenses relating to investigating or defending any demands, charges and claims) (collectively, “Losses”) incurred by virtue of acting on instructions of Client with respect to any Accounts, except to the extent that such Losses are actual losses of the Client proven with reasonable certainty and are the direct result of an act or omission taken or omitted by Wealthfront Advisers during the term of this Agreement which constitutes negligence or malfeasance, violation of applicable law, bad faith, or disregard of their respective obligations under this Agreement or as otherwise may be provided by law. Without limitation, the Indemnified Persons shall not be liable for Losses resulting from or in any way arising out of (i) any action of Client, its previous advisers or other agents including any Client Representative, any investment product or its affiliates or agents, or any third party broker or agent utilized by an investment product to effect transactions for the Account; (ii) force majeure or other events beyond the control of Wealthfront Advisers, including without limitation any failure, default or delay in performance resulting from government restrictions, regulatory requirements or actions, exchange market rulings, suspension of trading, acts of war, credit losses, reduced liquidity, elevated market volatility, computer or other electronic or mechanical equipment failure, unauthorized access, strikes, failure of common carrier or utility systems, severe weather or breakdown in communications not reasonably within the control of Wealthfront Advisers or other causes commonly known as “acts of God”; (iii) taxes, fines, or penalties payable by Client or any third-party; (iv) special, consequential, or incidental damages; (v) any misstatement or omission in third-party investment product descriptions, marketing materials, organizational documents, disclosure documents, or any other documents; (vi) the authorization (or lack thereof) of any Client Representative; or (vii) market conditions or investment performance unrelated to any violation of this Agreement by Wealthfront Advisers or Wealthfront Advisers’ negligence or malfeasance, violation of applicable law, bad faith, or disregard of its obligations under this Agreement or as otherwise may be provided by law. Client further agrees and acknowledges that all transactions are at Client’s risk and that the Indemnified Parties are not guaranteeing, or otherwise making representations with respect to, the performance of the Account. This indemnity shall be binding upon Client’s heirs, successors, and assigns. Notwithstanding anything in this Section 11 or otherwise in this Agreement to the contrary, nothing herein shall constitute a waiver or limitation of any rights that Client may have under any federal or state securities laws, except to the extent lawfully modified in this Agreement. Nothing in this Agreement shall serve to limit the right of any Party with respect to the rules of applicable self-regulatory agencies, including rules relating to arbitration.

12. Proxies

Client hereby gives Wealthfront Advisers the authority to vote proxies for Securities held in Client Accounts pursuant to Wealthfront Advisers’ written policies and procedures, as outlined in Wealthfront Advisers’ Form ADV Part 2. Wealthfront Advisers will be responsible for voting all proxies with respect to Securities held in Client Accounts and
will keep required records regarding this activity.

13. Termination; Withdrawals

This Agreement may be terminated by either party with or without cause by notice to the other party, which notice shall be provided by Client to Wealthfront Advisers through the Site and by Wealthfront Advisers to Client through the primary email address in Client’s Account Application as Client shall update from time to time. Client may withdraw all or part of the Account by notifying Wealthfront Advisers at any time provided that all partial withdrawals comply with Wealthfront Advisers’ required Account minimums as posted on the Site and updated from time to time, unless Wealthfront Advisers otherwise consents in advance. Client’s withdrawal of all of the Account under this Agreement, or Client’s withdrawal that results in an Account balance below the minimum as provided in Section 2(b)(vi) hereof will terminate this Agreement. Upon termination of this Agreement, Sections 8 (only as to fees accruing prior to termination), 11, 13, 17, and 19 through 26 shall survive such termination. Client understands and agrees that upon termination of this Agreement Wealthfront Advisers may determine to liquidate immediately all holdings in the Plan and the Account, and subject to Section 11 hereof, Wealthfront Advisers shall not be liable to Client to any consequences of such liquidation.

14. Account Statements

Client will receive account statements via electronic delivery from Wealthfront Brokerage, which are the official records of the Account. Wealthfront Advisers may also provide information about the Account from time to time.

15. Consent to Electronic Delivery

Client hereby authorizes and instructs Wealthfront Advisers and Wealthfront Brokerage to deliver any type of document relating to the Account (including this Agreement, any other agreements, the Privacy Policy, Form ADV Part 2, account statements, and tax documents), instead of paper copies, by email to the email address Client provides to Wealthfront Advisers, by communication through the App, or by referring Client to a website via a link or otherwise. Account statements transmitted electronically from Wealthfront Brokerage are the official records of the Account. Client agrees that Client will maintain access to a computer or other device capable of accessing email and other communications from Wealthfront Advisers, including PDF files, and that Client is solely responsible for any printing costs, online provider fees, or other costs that may be incurred in accessing the products and services. Client agrees that it will be solely Client’s responsibility to maintain a functioning email account and address and that Wealthfront Advisers and Wealthfront Brokerage shall have no responsibility to ensure that delivery to the email address provided by Client is successful, for example, in the case of bounce-back notifications, or to send documents via an alternative method when a bounce-back notification or other error message appears, in the judgment of Wealthfront Advisers, to be the result of Client’s failure to maintain a functioning email account capable of receiving email from Wealthfront Advisers. Client acknowledges and agrees that it may sometimes be necessary for Wealthfront Advisers to send paper copies to the mailing address provided by Client. Client also acknowledges and agrees that some documents may require Client to enroll in electronic delivery through other procedures.

16. Independent Contractor

Wealthfront Advisers is and will hereafter act as an independent contractor and not as an employee of Client, and nothing in this Agreement may be interpreted or construed to create any employment, partnership, joint venture or other relationship between Wealthfront Advisers and Client.

17. Assignment

Wealthfront Advisers may not assign this Agreement without the prior consent of Client or the consent of any additional authorized signatories on behalf of Client, if such consent is required under the Investment Advisers Act of 1940, as amended. In the event of an assignment by Wealthfront Advisers, Wealthfront Advisers shall notify Client in writing of such assignment within a specified reasonable time (which shall not be less than thirty (30) days) for Client to opt out or object to the assignment. If Client does not opt out within the time specified, Client will have been deemed to consent to such assignment and the proposed assignee will continue the advisory services of Wealthfront Advisers. Client’s continued acceptance of investment management services from the proposed assignee shall constitute Client’s consent(s) to the assignment. This Agreement shall bind and inure to the benefit of and be enforceable by the parties and their respective successors and assigns.
18. **Delivery of Information**

Client acknowledges electronic delivery of Wealthfront Advisers’ brochure that would be required to be delivered under the Advisers Act (including the information in Part 2 of Wealthfront Advisers’ Form ADV), which is available on the Site and the App and provided here by link:

On written request by Client, Wealthfront Advisers agrees to annually deliver electronically, without charge, Wealthfront Advisers’ brochure required by the Advisers Act.

19. **Governing Law**

This Agreement shall be governed exclusively by and construed and interpreted in accordance with the U.S. Federal Arbitration Act, federal arbitration law, and the laws of the State of California, excluding its provisions on conflicts or choice of laws. Except as otherwise expressly set forth in Section 20 of this Agreement below, any legal action or proceeding arising under this Agreement shall be brought exclusively in courts located in San Francisco, California or federal court for the Northern District of California, and the parties hereby irrevocably consent to the personal jurisdiction and venue therein.

20. **Arbitration**

Any dispute, claim or controversy arising out of or relating to the advisory services provided by Wealthfront Advisers, this Agreement or the breach, termination, enforcement, interpretation, or validity thereof, including the determination of the scope or applicability of this Agreement to arbitrate (each a “Dispute”), shall be resolved solely by binding, individual arbitration rather than a class, representative or consolidated action or proceeding. Client and Wealthfront Advisers each further agree that the U.S. Federal Arbitration Act governs the interpretation and enforcement of this Agreement, and that each party is waiving the right to a trial by jury or to participate in a class action. This arbitration provision shall survive termination of this Agreement.

(a) **Exceptions.** As limited exceptions to mandatory arbitration as set forth in this Section 20, the parties each retain the right to seek injunctive or other equitable relief from a court to prevent (or enjoin) the infringement or misappropriation of our intellectual property rights.

(b) **Conducting Arbitration and Arbitration Rules.** The arbitration will be conducted by the American Arbitration Association (“AAA”) under its Consumer Arbitration Rules (the “AAA Rules”) then in effect, except as modified by this Agreement. The AAA Rules are available at www.adr.org or by calling 1-800-778-7879. A party who wishes to start arbitration must submit a written Demand for Arbitration to AAA and give notice to the other party as specified in the AAA Rules. The AAA provides a form Demand for Arbitration at www.adr.org.

If Client’s claim is for U.S. $10,000 or less, Client may choose whether the arbitration will be conducted solely on the basis of documents submitted to the arbitrator, through a telephonic or video-conference hearing, or by an in-person hearing as established by the AAA Rules. If Client’s claim exceeds U.S. $10,000, the right to a hearing will be determined by the AAA Rules. Any arbitration hearings will take place in San Mateo County, California, unless the parties both agree in writing to a different location. Client and Wealthfront Advisers agree that the arbitrator shall have exclusive authority to decide all issues relating to the interpretation, applicability, enforceability, and scope of the terms of this Agreement.

(c) **Arbitration Costs.** Payment of all filing, administration and arbitrator fees will be governed by the AAA Rules. If Client prevails in arbitration Client will be entitled to an award of attorneys’ fees and expenses to the extent provided under applicable law.

(d) **Effect of Changes on Arbitration.** Wealthfront Advisers reserves the right to modify this Section 21 at any time upon 30 days’ written notice to you. Any such modification shall be prospective and shall not affect previously filed claims. By keeping your client account with Wealthfront Advisers or by continuing to use services provided by Wealthfront Advisers, you agree to and accept all terms and conditions of any modifications.

(e) **Class Action Waiver.** CLIENT AND WEALTHFRONT ADVISERS AGREE THAT EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN YOUR OR ITS INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS
OR REPRESENTATIVE PROCEEDING. Further, if our Dispute is resolved through arbitration, the arbitrator may not consolidate another person's claims with Client's claims and may not otherwise preside over any form of a representative or class proceeding. If any of the specific provisions within this Section 20 are found to be unenforceable, the remainder of this Section 20 shall not be affected thereby and, to this extent, the provisions of this Section 20 shall be deemed to be severable. If there is a final judicial determination that any particular claim (or a request for particular relief) cannot be arbitrated in accordance with this Section 20, then only that claim (or only that request for relief) may be brought in court. All other claims (or requests for relief) remain subject to this Section 20.

21. Notices

All notices and communications under this Agreement must be made through the Site or by email. Wealthfront Advisers’ contact information for this purpose is support@wealthfront.com, and Client’s contact information for this purpose is contained in Client’s user account on the Site and the primary email address(es) in Client’s Account Application as Client shall update from time to time. Wealthfront Advisers current address is 261 Hamilton Avenue, Palo Alto, CA 94301.

22. Severability and Amendment

The invalidity or unenforceability of any provision hereof shall in no way affect the validity or enforceability of any and all other provisions hereof. Client acknowledges that Wealthfront Advisers may amend this Agreement from time to time, which amendment(s) will become effective and applicable to Client when published on the Site or otherwise made available to Clients (except as provided in Section 5) and shall govern the relationship between the Client and Wealthfront Advisers during the entire term of this Agreement. Client acknowledges that Client will be responsible for checking the Site and App periodically for such amendment(s) to this Agreement.

23. Waiver or Modification

Wealthfront Advisers’ waiver or modification of any condition or obligation hereunder shall not be construed as a waiver or modification of any other condition or obligation, nor shall Wealthfront Advisers’ waiver or modification granted on one occasion be construed as applying to any other occasion.

24. Entire Agreement

This Agreement, together with the Brokerage Agreement, is the entire agreement of the parties regarding the subject matter hereof and supersedes all prior or contemporaneous written or oral negotiations, correspondence, agreements, and understandings (including without limitation any and all preexisting client account agreements, which are hereby canceled). However, the parties may choose to enter into separate agreements between them regarding different subject matters or investment programs.

25. No Third-Party Beneficiaries

Neither party intends for this Agreement to benefit any third party (other than Wealthfront Brokerage) not expressly named in this Agreement.

26. Death, Disability, or Divorce

Upon receiving notice of Client’s death, disability, incompetency, or divorce, Wealthfront Brokerage may restrict disbursements and other Account transactions, until satisfactory documentation is received. If a Client is an individual, the Client’s death, disability or incompetency will not automatically terminate or change the terms of this Agreement. However, the Client’s executor, guardian or attorney-in-fact may terminate this Agreement by giving written notice to Wealthfront Advisers. In the event that Client is a joint Account holder, all joint Account holders agree that if the Account or assets therein ever becomes the subject of a dispute between Account holders, and Wealthfront Advisers becomes aware of the dispute, Wealthfront Advisers may refuse to disburse or allow for the termination of this Agreement without the consent of both joint Account holders. Further, both Account holders agree that in the event that one Account holder provides instructions to Wealthfront Advisers, even if the instructions are to terminate the Agreement and disburse all funds from the Account to one of the Account holders, Wealthfront Advisers may do so without the permission of, and without providing notice to, the other Account holder and will have no liability to either Account holder.

Item 4 Services, Fees and Compensation

A. General Description of the Company

Wealthfront Advisers is an automated investment adviser registered with the SEC. Wealthfront Advisers sponsors software-based investment advisory and portfolio management services for its clients in respect of the Plan through the Wealthfront Advisers 529 Wrap Fee Program. This program is made available via accounts that all clients open at Wealthfront Brokerage LLC (“Wealthfront Brokerage”), a member of Financial Industry Regulatory Authority (“FINRA”). Wealthfront Advisers became the successor investment adviser to Wealthfront Inc. effective August 1, 2018. On the same date, Wealthfront Inc. changed its name to Wealthfront Corporation. Software-based financial planning tools and services are provided by Wealthfront Software LLC (“Wealthfront Software”). Wealthfront Advisers, Wealthfront Brokerage and Wealthfront Software are wholly owned subsidiaries of Wealthfront Corporation, which is a privately held company headquartered in Palo Alto, CA. Additional information about Wealthfront Advisers’ products, structure and directors is provided on Part 1 and Part 2 of Wealthfront Advisers’ Form ADV which is available online at www.adviserinfo.sec.gov. We encourage visiting our website www.wealthfront.com/529 or our related mobile application (the “Site” or the “App”) for additional information about the firm and the Plan.

B. 529 Plans

The Plan is a “529 plan,” i.e., a qualified tuition program sponsored by a state and established under and operated in accordance with Section 529 of the Internal Revenue Code. 529 plans help families save for future college costs. They enable individuals and certain trusts to accumulate savings for qualifying higher education costs of beneficiaries by purchasing interests in a state-created 529 plan trust, which interests are “municipal fund securities.” Proceeds from sales of the state-created 529 plan trust interests are in turn invested in one or more investments. Any earnings on these interests are tax deferred and may be withdrawn on a tax-free basis if used to pay for a qualified higher education expense.

C. Summary of Wealthfront Advisers’ 529 Investment Advisory Services

Wealthfront Advisers offers a unique automated investment advisory service based on Modern Portfolio Theory (“MPT”) that makes it possible for anyone who enters into a Wealthfront Advisers 529 College Plan Client Agreement (the “529 Client Agreement”), to access state-of-the-art investment advisory and portfolio management services in the context of a 529 plan. As provided in the 529 Client Agreement, advisory clients (“Clients”) grant Wealthfront Advisers discretionary authority to manage Client assets in accounts (“Client Accounts” or “Accounts”) opened and maintained at Wealthfront Brokerage pursuant to the Wealthfront Brokerage Customer Brokerage and Custody Agreement (the “Brokerage Agreement”), through which Wealthfront Brokerage provides the necessary basic brokerage services to the Clients. Clients are also required to enter into a Participation Agreement (“Participation Agreement”) with the state 529 plan trust in order to establish the Client’s 529 account. Wealthfront Advisers’ investment objective is to seek maximum long-term, risk-adjusted, after-tax, net of fee returns.
D. Tailored Services and Investment Restrictions

Wealthfront Advisers tailors its software-based 529 College Plan investment advisory services to the individual needs of each of its Clients. Wealthfront Advisers uses its software, which is based on academic behavioral economics research, to determine an investor’s risk tolerance. Wealthfront Advisers asks each prospective Client a series of questions to evaluate both the individual’s objective capacity to take risk and subjective willingness to take risk. We ask subjective risk questions to determine both the level of risk an individual is willing to take and the consistency among the answers. For example, if an individual is willing to take a lot of risk in one case and very little in another, then the individual is deemed inconsistent and is therefore assigned a lower risk tolerance score than the simple weighted average of their answers. We ask objective questions to estimate with as few questions as possible whether the Client is likely to have enough money saved at the time of matriculation by the Client’s beneficiary (“Beneficiary”), in order to afford the Beneficiary’s likely spending needs. The greater the excess income, the more risk the Client is able to take. Clients may not specify investments in which Client Account may not invest.

Each individualized 529 portfolio is designed to be consistent with the Clients’ investment objectives and risk tolerances. Wealthfront Advisers creates an investment plan and manage a Client’s 529 portfolio by seeking to identify: 1) the optimal asset classes in which to invest, 2) the most efficient exchange traded funds (“ETFs”) or other investments to represent each of those asset classes, 3) the ideal mix of asset classes based on the Client’s specific risk tolerance, and 4) the most appropriate time to rebalance the Client’s portfolio to maintain intended risk tolerance and optimal return for the Client’s risk level.

Under the Plan, Wealthfront Advisers constructs a portfolio for its Client using up to nine separate municipal fund securities, each of which contains a single underlying ETF representing a separate asset class. Wealthfront Advisers designs the Client’s portfolio to provide a diversified asset allocation based on the Client’s individual risk tolerance as reflected by the Client’s risk score, which is determined by the Client’s responses to a risk questionnaire completed during the application process. Using the risk score, Wealthfront Advisers assigns the Client’s portfolio to one out of 20 “glide paths,” each of which determines how the Client’s portfolio’s allocations of municipal fund securities will change over time. Each glide path gradually shifts the asset allocations of the municipal fund securities in the Client’s portfolio to progressively decreasing levels of expected risk as the expected matriculation date of the Beneficiary approaches. The Client’s starting point along the specific glide path is determined by the Beneficiary’s expected matriculation date. Thus, two Clients with identical risk scores and Beneficiaries of different ages will transition along the same glide path but will start at different points on the glide path due to the different investment time horizons.

E. 529 Wrap Fee Program

Under the Plan, Client assets are managed by Wealthfront Advisers as part of Wealthfront Advisers’ 529 Wrap Fee Program. A wrap account is a professionally managed investment plan in which all expenses, including brokerage commissions (if any), management fees, and administrative costs, are “wrapped” into a single charge. Wealthfront Advisers’ 529 Wrap Fee Program provides Clients investment plans, portfolio management, and necessary basic brokerage services for one comprehensive fee based on a percentage of individual account assets.
Wealthfront Advisers may buy or sell securities consistent with a Client’s investment plan designed to seek an investment return suitable to the goals and risk profile of each distinct Client Account. Wealthfront Advisers determines an appropriate course of action by performing a review of each Client’s individual account and suitability parameters. This review may include type of account, goals, overall financial condition, income, assets, risk tolerance and other factors unique to the individual Client’s situation. Wealthfront Advisers manages each Client Account on an individualized basis.

In order to implement Wealthfront Advisers’ continuous investment advice, Wealthfront Advisers provides investment advisory and portfolio management services under the 529 Wrap Fee Program only on a discretionary basis.

F. 529 Advisory Fees

Wealthfront Advisers is compensated for its 529 advisory services by charging a fee based on the net market value of a Client’s Account. Wealthfront Advisers reserves the right, in its sole discretion, to reduce or waive the advisory fee for certain Client Accounts for any period of time determined by Wealthfront Advisers. In addition, Wealthfront Advisers may reduce or waive its fees for the Accounts of some Clients without notice to, or fee adjustment for, other Clients.

Wealthfront Advisers currently charges an annualized investment advisory fee of 0.25% on net market value of a Client’s Account. Annual fees are charged on a monthly basis as explained below.

Wealthfront Advisers’ investment advisory fees are not charged in advance and are calculated on a continuous basis and deducted from Client Accounts each month as follows: Wealthfront Advisers calculates a daily advisory fee, which is equal to the fee rate multiplied by the net market value of the Client’s Account as of the close of trading on the New York Stock Exchange (“NYSE”) (herein, “close of markets”) on such day, or as of the close of markets on the immediately preceding trading day for any day when the NYSE is closed, and then divided by 365 (or 366 in any leap year). The advisory fee for a calendar month is equal to the total of the daily fees calculated during that month and is deducted from Client Accounts no later than the tenth business day of the following month. Wealthfront Advisers waives its investment advisory fees on the first $25,000 it manages for Nevada residents who open a 529 Account, and this fee waiver applies to the aggregate of all of the Nevada resident’s Wealthfront Advisers account assets.

Wealthfront Advisers may pay Wealthfront Brokerage amounts out of the proceeds of the Wealthfront Advisers advisory fee pursuant to an agreement between Wealthfront Advisers and Wealthfront Brokerage.

G. Other 529 Account Fees

In addition to advisory fees, Clients may also pay other fees or expenses to third-parties. The issuer of some of the securities or products we purchase for Clients, such as Plan municipal fund securities, ETFs or other similar financial products, may charge product fees that affect Clients.
Wealthfront Advisers does not charge these fees to Clients and does not benefit directly or indirectly from any such fees. A Plan municipal fund security or an ETF typically includes embedded expenses that may reduce the Plan municipal fund security’s or ETF’s net asset values, and therefore may directly affect the Plan municipal fund security’s or ETF’s performances and indirectly affect a Client’s portfolio performance or an index benchmark comparison. Expenses of a municipal fund security may include an administrative/recordkeeping fee and a state fee, and expenses of an ETF may include management fees, custodian fees, brokerage commissions, and legal and accounting fees. Municipal fund security expenses may change from time to time at the sole discretion of the 529 state trust, and ETF expenses may change from time to time at the sole discretion of the ETF issuer. Wealthfront Advisers discloses each municipal fund security’s and ETF’s current information, including expenses, on the Site.

Item 5 Account Requirements and Types of Clients

The minimum amount required to open and maintain a Plan Account is $500. Clients can be individuals or certain trusts. Clients have real-time access to their Accounts through the Site. Additional requirements for opening an Account with Wealthfront Advisers are described in Item 4, above.

At any time, a Client may terminate an Account, or withdraw all or part of an Account, or update their investment risk profile (but may change their profile only up to two times per year or upon an eligible change of Beneficiary), which may initiate an adjustment in the Accounts’ holdings. In that case, unless otherwise directed by the Client, Wealthfront Advisers will redeem or sell the securities in the Client Account (or portion of the Account, in the case of a partial withdrawal or update) at market prices at the time of the termination, withdrawal or update.

Investors evaluating Wealthfront Advisers’ software based 529 investment advisory service should be aware that Wealthfront Advisers’ relationship with Clients is likely to be different from the “traditional” investment advisory relationship in several aspects:

A. Wealthfront Advisers is a software-based investment adviser, which means each Client must acknowledge their ability and willingness to conduct their relationship with Wealthfront Advisers on an electronic basis. Under the terms of the 529 Client Agreement and the Brokerage Agreement, each Client agrees to receive all Account information and Account documents (including this Brochure), and any updates or changes to same, through their access to the Site and Wealthfront Advisers’ electronic communications. Unless noted otherwise on the Site or within this Brochure, Wealthfront Advisers’ investment advisory service, Wealthfront Brokerage’s brokerage services, the signatures for the 529 Client Agreement, the Brokerage Agreement, the Participation Agreement, and all documentation related to the advisory and brokerage services are managed electronically. Wealthfront Advisers does make individual representatives available to discuss servicing matters with Clients.

B. To provide its investment advisory services and tailor its investment decisions to each Client’s specific needs, Wealthfront Advisers collects information from each Client, including specific information about their investing profile such as financial situation, risk tolerance, and investment objectives. Wealthfront Advisers maintains this information in strict confidence subject to its Privacy Policy, which is provided on the Site. (The Plan’s recordkeeper and
custodian and the issuer of the Securities in which the Client will invest pursuant to the Plan will have access to Client’s non-public personal and financial information that Client furnishes to Wealthfront Advisers) When tailoring its investment solutions, Wealthfront Advisers relies upon the information received from a Client. Although Wealthfront Advisers contacts its Clients periodically as described further in Item 7 below, a Client must promptly notify Wealthfront Advisers of any change in their financial situation or investment objectives that might require a review or revision of their Account’s portfolio.

C. Clients may not place orders to purchase or sell securities on a self-directed basis.

Item 6 Methods of Analysis, Investment Strategies and Risk Considerations

For its software-based 529 investment advisory service, Wealthfront Advisers provides Clients with investment advisory service that is based on MPT. MPT attempts to maximize a portfolio’s expected return for a given amount of portfolio risk, or equivalently minimize risk for a given level of expected return, by selecting the proportions of various asset classes rather than selecting individual securities. Historically, rigorous MPT-based financial advice has only been available through high-end financial advisors. Wealthfront Advisers’ goal is to enable anyone with at least $500 to access the benefits of MPT.

Prior to the launch of the Wealthfront Advisers software-based investment advisory service, it was not practical to offer rigorous and complete MPT to everyone because delivering a complete solution was too complex. Specifically, the number of calculations required to identify an optimized asset allocation, the ideal securities to represent each asset class, and an individual’s true risk tolerance are beyond the scope of free, web-based tools. The job becomes even more difficult when considering the importance of periodically rebalancing a portfolio to maintain a desired risk level.

To employ MPT properly, one must start with an accurate determination of an individual’s objective and subjective tolerance for risk. Achieving accuracy requires sophisticated software applied to more detailed questions than are typically asked by advisers. Based on this risk analysis, Wealthfront Advisers seeks to create an individualized investment plan using the optimal asset classes in which to invest, the most efficient and inexpensive ETFs (to underlie the Plan’s municipal fund securities) to represent each of those asset classes, and the ideal mix of asset classes based on the Client’s specific risk tolerance. For the Plan, Wealthfront Advisers uses Mean Variance Optimization to rigorously evaluate every possible combination of the following nine asset classes: US equities, foreign developed markets equities, emerging markets equities, dividend growth equities, real estate, treasury inflation protected securities (TIPS), corporate bonds, emerging markets bonds and US government bonds. Mean Variance Optimization uses the expected return and volatility for each asset class and the covariance among asset classes to find the combination that delivers the highest possible expected return for any given standard deviation of a portfolio’s returns. Wealthfront Advisers’ software-based 529 investment advisory service generally includes preselected municipal fund securities (each with a single underlying ETF) for each asset class within the plan recommended to a Client by Wealthfront Advisers. Wealthfront Advisers does not allow Clients to select their own municipal fund securities because each municipal fund security and asset class is considered to be part of the overall investment plan. Investors with specific restrictions are not permitted to become Clients.
Wealthfront Advisers continuously monitors our Clients’ 529 portfolios and periodically rebalances them back to the Clients’ target mix in an effort to optimize returns for the intended level of risk as well as the applicable glide path. We may consider the volatility associated with each of our chosen asset classes when deciding when and how to rebalance.

Wealthfront Advisers does not charge performance-based fees. Our advisory fees are only charged as disclosed above in Item 4.F.

**Risk Considerations**

Wealthfront Advisers cannot guarantee any level of performance or that any Client will avoid a loss of Account assets. **Any investment in securities involves the possibility of financial loss that Clients should be prepared to bear.**

When evaluating risk, financial loss may be viewed differently by each Client and may depend on many different risk items, each of which may affect the probability of adverse consequences and the magnitude of any potential losses. The following risks may not be all inclusive but should be considered carefully by a prospective Client before retaining Wealthfront Advisers’ services in respect of the Plan. These risks should be considered as possibilities, with additional regard to their actual probability of occurring and the effect on a Client if there is in fact an occurrence.

**Market Risk** – The price of any security or the value of an entire asset class can decline for a variety of reasons outside of Wealthfront Advisers’ control, including, but not limited to, changes in the macroeconomic environment, unpredictable market sentiment, forecasted or unforeseen economic developments, interest rates, regulatory changes, and domestic or foreign political, demographic, or social events. If a Client has a high allocation in a particular asset class, it may negatively affect overall performance to the extent that the asset class underperforms relative to other market assets. Conversely, a low allocation to a particular asset class that outperforms other asset classes in a particular period will cause that Client Account to underperform relative to the overall market.

**Advisory Risk** – There is no guarantee that Wealthfront Advisers’ judgment or investment decisions about particular securities or asset classes will necessarily produce the intended results. It is possible that Clients or Wealthfront Advisers itself may experience computer equipment failure, loss of internet access, viruses, or other events that may impair access to Wealthfront Advisers’ software-based investment advisory service. Wealthfront Advisers and its representatives are not responsible to any Client for losses unless caused by Wealthfront Advisers’ breach of its fiduciary duty.

**Software Risk** – Wealthfront Advisers delivers its investment advisory services entirely through software. Consequently, Wealthfront Advisers rigorously designs, develops and tests its software extensively before putting such software into production with actual Client Accounts and assets and periodically monitors the behaviors of such software after its deployment. Notwithstanding this rigorous design, development, testing and monitoring, it is possible that such software may not always perform exactly as intended or as disclosed on the Site, mobile app, blogs or other Wealthfront Advisers disclosure documents, especially in certain combinations of unusual circumstances. For example, there may be occasions where a number of Client Accounts may not experience TLH (even if TLH had been activated for such accounts) or rebalancing back to the
Client’s target asset allocation for extended periods of time, due to certain errors in the deployment of the software. Wealthfront Advisers continuously strives to monitor, detect and correct any software that does not perform as expected or as disclosed.

**Volatility and Correlation Risk** – Wealthfront Advisers’ asset selection process is based in part on a careful evaluation of past price performance and volatility in order to evaluate future probabilities. It is possible that different or unrelated asset classes may exhibit similar price changes in similar directions which may adversely affect a Client’s Account and may become more acute in times of market upheaval or high volatility. **Past performance is no guarantee of future results, and any historical returns, expected returns, or probability projections may not reflect actual future performance.**

**Valuation Risk** – High volatility and/or the lack of deep and active liquid markets for some securities (including the ETFs underlying the Plan municipal fund securities) that hold or trade financial instruments may be adversely affected by liquidity issues as they manage their portfolios, which may lead to valuation difficulties. While the Plan’s custodian and recordkeeper value the municipal fund securities (and their underlying ETFs) held in Client Accounts based on reasonably available exchange-traded security data, they may from time to time receive or use inaccurate data, which could adversely affect security valuations, transaction size for purchases or sales, and/or the resulting advisory fees paid by a Client to Wealthfront Advisers.

**Legislative and Tax Risk** - Performance may directly or indirectly be affected by government legislation or regulation, which may include, but is not limited to: changes in investment adviser or securities trading regulation; change in the US government’s guarantee of ultimate payment of principal and interest on certain government securities; and changes in the tax code that could affect interest income, income characterization and/or tax reporting obligations.

**Foreign Investing and Emerging Markets Risk** - Foreign investing involves risks not typically associated with investments, and the risks may be exacerbated further in emerging market countries. These risks may include, among others, adverse fluctuations in foreign currency values, as well as adverse political, social and economic developments affecting one or more foreign countries. In addition, foreign investing may involve less publicly available information and more volatile or less liquid securities markets, particularly in markets that trade a small number of securities, have unstable governments, or involve limited industry. Investments in foreign countries could be affected by factors not present in the US, such as restrictions on receiving the investment proceeds from a foreign country, foreign tax laws or tax withholding requirements, unique trade clearance or settlement procedures, and potential difficulties in enforcing contractual obligations or other legal rules that jeopardize shareholder protection. Foreign accounting may be less transparent than US accounting practices and foreign regulation may be inadequate or irregular.

**Inflation, Currency, and Interest Rate Risks** - Security prices and portfolio returns will likely vary in response to changes in inflation and interest rates. Inflation causes the value of future dollars to be worth less and may reduce the purchasing power of an investor’s future interest payments and principal. Inflation also generally leads to higher interest rates, which in turn may cause the value of many types of fixed income investments to decline. In addition, the relative value of the US dollar-denominated assets primarily managed by Wealthfront Advisers may be affected by the risk that currency devaluations affect Client purchasing power.
No Guarantee of Principal Or Earnings; No Insurance - The value of a Client’s 529 Account may increase or decrease over time based on the performance of the municipal fund securities that constitute the Client’s portfolio. It is possible that, at any given time, the Client’s portfolio value may be less than the total amount contributed. None of the Plan, the state trust, Wealthfront Advisers or other Plan-related entities or individuals is an insurer of, makes any guarantee of, or has any legal obligations to ensure, a particular level of investment return. The Client should be aware that she could lose all or a portion of their investment, depending on market conditions.

An investment in the Plan is not a bank deposit. The Plan is not insured or guaranteed. None of the Account, the principal the Client invests, nor any investment return is insured or guaranteed by the Plan, the state trust, Wealthfront Advisers or other Plan-related entities or individuals, the federal government, the Federal Deposit Insurance Corporation, or any other governmental agency.

Relative to investing for retirement, the holding period for college investors is very short (e.g., 5-20 years versus 30-60 years). Also, the need for liquidity during the withdrawal phase (to pay for qualified higher education expenses) generally is very important. The Client should strongly consider the level of risk she wishes to assume when completing the risk questionnaire upon Account opening.

Limited Investment Direction - The Client may not direct the underlying investments in an Account. The ongoing money management is the responsibility of Wealthfront Advisers. The only manner in which the Client can affect the money management is to change their risk score, which is limited to two times per year, or upon the change of the Beneficiary. The choice of the underlying investments of the municipal fund securities is subject to the approval of the board of trustees of the state 529 plan trust (the “Board”). Automatic investment exchanges that occur as the Client’s assets move through the glide path do not count towards your twice per calendar year investment exchange limit.

Liquidity - Investments in a 529 Plan are considered less liquid than other types of investments (e.g., investments in mutual fund shares) because the circumstances in which an Account owner may withdraw money from a 529 Plan account without a penalty or adverse tax consequences are significantly more limited.

Potential Changes to the Plan - The Board reserves the right, in its sole discretion, to discontinue the Plan or to change any aspect of the Plan. For example, the Board may change the Plan’s fees and expenses; add, subtract, or merge the municipal fund securities; close a particular municipal fund security to new investors; or change the Plan’s program manager or the underlying investment(s) of a municipal fund security. Depending on the nature of the change, the Client may be required to, or prohibited from, participating in the change with respect to Accounts established before the change. The current program manager for the Plan may not necessarily continue as Plan’s program manager, and Wealthfront Advisers may not necessarily continue as investment adviser and distributor to the Plan (although Wealthfront Advisers will continue as the Client’s investment adviser until either Wealthfront Advisers or the Client terminates that investment advisory relationship).

If the Client has established Accounts prior to the time such changes are made to the Plan, the Client may be required to participate in such changes or may be prohibited (according to Section
529 regulations or other guidance issued by the Internal Revenue Service) from participating in such changes, unless the Client opens a new Account. Furthermore, the Board may terminate the Plan by giving written notice to the Client, but the Plan may not thereby be diverted from the exclusive benefit of the Client and the Beneficiary.

During the transition from one underlying investment to another underlying investment, a Plan municipal fund security may be temporarily uninvested and lack market exposure to an asset class. The transaction costs associated with any liquidation, as well as any market impact on the value of the securities being liquidated, will be borne by the Plan municipal fund security and Client Portfolios holding that Plan municipal fund security.

**Status of Federal And State Law And Regulations Governing The Plan** - Federal and state law and regulations governing the administration of 529 plans could change in the future. In addition, federal and state laws on related matters, such as the funding of higher education expenses, treatment of financial aid, and tax matters are subject to frequent change. It is unknown what effect these kinds of changes could have on an Account or the Plan. The Client should also consider the potential impact of any other state laws on the Client’s Account. The Client should consult your tax advisor for more information.

**No Indemnification** - Neither the Plan, the state trust, Wealthfront Advisers or other Plan-related entities or individuals, nor any other person will indemnify the Client or the Beneficiary against losses or other claims arising from the official or unofficial acts, negligent or otherwise, of Board members or state employees.

**Eligibility for Financial Aid** - The treatment of Account assets may have an adverse effect on the Beneficiary’s eligibility to receive assistance under various federal, state, and institutional financial aid programs.

- In making decisions about eligibility for financial aid programs offered by the US government and the amount of such aid required, the US Department of Education takes into consideration a variety of factors, including among other things the assets owned by the student (i.e., the Beneficiary) and the assets owned by the student’s parents. The US Department of Education generally expects the student to spend a substantially larger portion of their own assets on educational expenses than the parents.

- For federal financial aid purposes, Account assets will be considered (i) assets of a student’s parent, if the student is a dependent student and the owner of the Account is the parent or the student, or (ii) assets of the student, if the student is the owner of the Account and not a dependent student.

- For purposes of financial aid programs offered by states, other non-federal sources, and educational institutions, the treatment of Account assets may follow or differ from the treatment described above for federal financial aid purposes. Clients and Beneficiaries are advised to consult a financial aid professional and/or the state or educational institution offering a particular financial aid program, to determine how assets held in an Account may affect eligibility for financial aid.

- Under Nevada law, assets in an Account are not taken into consideration in determining
the eligibility of the Beneficiary, parent or guardian of the Account for a grant, scholarship or work opportunity that is based on need and offered or administered by a state agency, except as otherwise required by the source of the funding of the grant, scholarship or work opportunity.

The federal and non-federal financial aid program treatments of assets in a 529 plan are subject to change at any time. Clients therefore should check and periodically monitor the applicable laws and other official guidance, as well as particular program and institutional rules and requirements, to determine the impact of 529 plan assets on eligibility under particular financial aid programs.

**No Guarantee That Investments Will Cover Qualified Higher Education Expenses; Inflation and Qualified Higher Education Expenses** - There is no guarantee that the money in the Client’s Account will be sufficient to cover all of a Beneficiary’s qualified higher education expenses, even if contributions are made in the maximum allowable amount for the Beneficiary. The future rate of increase in qualified higher education expenses is uncertain and could exceed the rate of investment return earned by an Account over any relevant period of time.

**Education Savings and Investment Alternatives** - In addition to the Plan, there are many other 529 plans, including programs designed to provide prepaid tuition and certain other educational expenses, as well as other education savings and investment alternatives. These alternative programs may offer different investment vehicles and may result in different tax and other consequences. They may have different eligibility requirements and other features, as well as fees and expenses that may be more or less than those charged by the Plan. Clients should consider other investment alternatives before establishing an Account.

**No Guarantee of Admittance** - Participation in the Plan does not guarantee or otherwise provide a commitment that the Beneficiary will be admitted to, allowed to continue to attend, or receive a degree from any educational institution. Participation in the Plan also does not guarantee that a Beneficiary will be treated as a state resident of any state for tuition or any other purpose.

**Medicaid and Other Federal And State Benefits** - The effect of an Account on eligibility for Medicaid or other state and federal benefits is uncertain. There can be no assurance that an Account will not be viewed as a “countable resource” in determining an individual’s financial eligibility for Medicaid. Withdrawals from an Account during certain periods may also have the effect of delaying the disbursement of Medicaid payments. Clients should consult a qualified advisor to determine how an Account may affect eligibility for Medicaid or other state and federal benefits.

**Suitability and Education Savings Alternatives** - Neither the Board nor the Plan’s program manager makes any representations regarding the suitability or appropriateness of the municipal fund securities or Client’s portfolio as an investment. Other types of investments may be more appropriate depending upon an individual’s financial status, tax situation, risk tolerance, age, investment goals, savings needs, and investment time horizons of the Client or the Beneficiary.

There are programs and investment options other than the Plan available as education investment alternatives. They may entail tax and other fee or expense consequences and features different from the Plan including, for example, different investments and different levels of Client control. Anyone considering investing in the Plan may wish to consider these alternatives prior to opening
Differences Between Performances of Plan Municipal Fund Securities And Underlying ETFs

- The performances of the Plan municipal fund securities will differ from the performances of the ETFs underlying the Plan municipal fund securities. This is primarily due to differences in expense ratios and differences in the trade dates of municipal fund securities purchases and the purchases of the underlying ETFs. The Plan municipal fund securities and the underlying ETFs have different expense ratios over comparable periods of time, so, all other things being equal, there also will be performance differences between the Plan municipal fund securities and the underlying ETFs. Performance differences also are caused by differences in the trade dates of the Client’s Plan municipal fund securities purchases and the underlying ETF purchases. When the Client invests money in a Plan municipal fund security, the Client will receive state trust interests as of the appropriate trade date. The state trust will use that money to purchase the underlying ETFs to be held in the municipal fund security(ies) that make up a Client’s portfolio. However, the trade date for the state trust’s purchase of the underlying ETF typically will be one (1) business day after the trade date for the Client’s purchase of trust interests of the selected municipal fund security. Depending on the amount of cash flow into or out of the Plan municipal fund security and whether the underlying ETF is going up or down in value, this timing difference will cause the Plan municipal fund security’s performance either to trail or exceed the underlying ETF’s performance.

Differences Between Performances Of Client Portfolios and Municipal Fund Securities

- The performance of each Client’s portfolio will differ from the Plan municipal fund securities because it is a mix of one or more of the Plan municipal fund securities. Thus, a Client portfolio’s performance may lag that of any one Plan municipal fund security due to the lower performances of other Plan municipal fund securities included in the Client’s portfolio.

Municipal Fund Securities Investment Risk

- Accounts are subject to a variety of investment risks that will vary depending upon the municipal fund security and the ETF underlying that Plan municipal security. See the Plan Description and Participation Agreement available at www.wealthfront.com/529 for further discussions of the investment objective and principal risks of each underlying ETF Investment. With respect to the underlying ETF, please remember that the information is only a summary of the main risks of each underlying ETF Investment; please consult each underlying ETFs prospectus and statement of additional information for additional risks that apply to each underlying ETF.

ETF Risks, including Net Asset Valuations and Tracking Error

- ETF performance may not exactly match the performance of the index or market benchmark that the ETF is designed to track because 1) the ETF will incur expenses and transaction costs not incurred by any applicable index or market benchmark; 2) certain securities comprising the index or market benchmark tracked by the ETF may, from time to time, temporarily be unavailable; and 3) supply and demand in the market for either the ETF and/or for the securities held by the ETF may cause the ETF shares to trade at a premium or discount to the actual net asset value of the securities owned by the ETF. Certain ETF strategies may from time to time include the purchase of fixed income, commodities, foreign securities, American Depositary Receipts, or other securities for which expenses and commission rates could be higher than normally charged for exchange-traded equity securities, and for which market quotations or valuation may be limited or inaccurate.
An ETF typically includes embedded expenses that may reduce the ETF's net asset value, and therefore directly affect the ETF's performance, thereby affecting the related Plan municipal fund security’s performance, and indirectly affecting a Client’s portfolio performance or an index benchmark comparison. Expenses of the ETF may include investment adviser management fees, custodian fees, brokerage commissions, and legal and accounting fees. ETF expenses may change from time to time at the sole discretion of the ETF issuer. Wealthfront Advisers discloses each underlying ETF’s current information, including expenses, in the Plan Description and Participation Agreement available at www.wealthfront.com/529. ETF tracking error and expenses may vary.

Clients should be aware that to the extent they invest in Plan municipal fund securities, which investment in turn invests in ETF securities, they will pay two levels of compensation – advisory fees charged by Wealthfront Advisers plus any management fees charged by the Plan recordkeeper and the Board at the municipal security level, plus any management fees charged by the adviser or sponsor of the ETF at the ETF level. This scenario may cause a higher advisory cost (and potentially lower investment returns) than if a Client purchased the ETF directly.

**Client Portfolio Investment Risk** - Accounts are subject to a variety of investment risks that will vary depending upon the Plan municipal fund security(ies) that constitute a Client’s portfolio. See the Plan Description and Participation Agreement available at www.wealthfront.com/529. Moreover, it is possible that various risks of Plan municipal fund securities could combine to present greater risks than any single Plan municipal fund security.

**Item 7 Client Information Provided to Portfolio Managers**

On a periodic basis, Wealthfront Advisers contacts each Client to remind them to review and update the profile information they previously provided. Wealthfront Advisers also requests that Clients reconfirm the same information on an annual basis. These notifications and confirmations include a link to the Client’s current information and contact information for the Wealthfront Advisers support team. Currently the Wealthfront Advisers team members whose tasks include supervising, arranging and responding to these notifications, confirmations and reviews are: the Chief Compliance Officer with help from Client Services.

Wealthfront Advisers conducts separate reviews related to the ETFs used for the Plan municipal fund securities making up Client 529 portfolios. These reviews are approved by Wealthfront Advisers’ Investment Committee, which has the authority, if necessary, to recommend to the Board for the Board’s action, in its sole discretion, up to and including the removal, addition or replacement of an ETF, from the Plan municipal fund securities making up the portfolios advised by Wealthfront Advisers.

**Item 8 Client Contact with Portfolio Managers**

All client contacts and communications regarding participation in the Wrap Fee Program will occur through contact with Wealthfront Advisers via email or the Site. Subject to the tax limitation of only two changes to the Client’s risk score and profile per tax year or upon a change of Beneficiary, Wealthfront Advisers will promptly make any changes to Client’s goals and financial situation. If tax law prevents a change to the Client’s risk score and profile, the Client
will bear the risk and consequences of the Client’s portfolio potentially not corresponding to the risk score and profile corresponding to Client’s changed circumstances until such time as applicable law permits the change to the Client’s risk score and profile.

**Item 9 Additional Information**

**Disciplinary Information**

On December 21, 2018, Wealthfront Advisers reached a settlement with the Securities and Exchange Commission. The settlement order found that Wealthfront Advisers improperly retweeted certain clients’ positive tweets from its corporate account and had made compensation to some bloggers for client referrals without proper disclosures. Additionally, the settlement order found that Wealthfront Advisers did not have proper disclosures in its TLH whitepaper concerning monitoring for any and all wash sales that could occur in client accounts. A wash sale prevents the tax benefit of having sold the asset to realize a loss. Thus, a wash sale can diminish the effectiveness of TLH by deferring to a future year a tax loss that could have been used to offset income or capital gains in the current year. In Wealthfront’s TLH program, wash sales could occur, or were permitted, in certain circumstances relating to the management of a client account such as rebalancing a client portfolio or client directed transactions. The SEC order noted that a significant percentage of client accounts enrolled in Wealthfront Advisers’ TLH strategy experienced wash sales in the period from October 2012 to May 2016 and that wash sales represented approximately 2.3% of tax losses harvested for clients in the period from January 2014 to December 2016.

The settlement order found that Wealthfront Advisers violated the antifraud, advertising, compliance, and other provisions of the Investment Advisers Act of 1940. Without admitting or denying the SEC’s findings, Wealthfront Advisers consented to the entry of the SEC’s order censuring it, requiring it to cease and desist from further violations, and imposing a $250,000 penalty.

**Other Financial Industry Activities and Affiliations**

Wealthfront Advisers utilizes its affiliate, Wealthfront Brokerage, to effect transactions on behalf of the Clients. In respect to the Plan, Wealthfront Brokerage instructs the Plan’s recordkeeper and custodian on behalf of Wealthfront Advisers, where applicable, to provide execution services for the Client’s 529 Account transactions pursuant to the authority the Client has given under the applicable 529 Client Agreement and Brokerage Agreement.

**Code of Ethics, Participation or Interest in Client Transactions and Personal Trading**

Wealthfront Advisers’ paramount ethical, professional, and legal duty is to act at all times as a fiduciary to its Clients. This means that Wealthfront Advisers puts the interests of its Clients ahead of its own, and carefully manages for any perceived or actual conflict of interest that may arise in relation to its advisory services. Wealthfront Advisers has adopted a Code of Ethics, which is designed to ensure that we meet our fiduciary obligation to Clients, enhance our culture of compliance within the firm, and detect and prevent any violations of securities laws.

Wealthfront Advisers’ Code of Ethics (the “Code”) establishes standards of conduct for all Wealthfront Advisers’ employees, including all officers, directors, employees, certain contractors
and others, and is consistent with the code of ethics requirements of Rule 204A-1 under the Investment Advisers Act of 1940, as amended. The Code includes general requirements that all employees comply with their fiduciary obligations to Clients and applicable securities laws, and specific requirements relating to, among other things, personal trading, insider trading, conflicts of interest, and confidentiality of client information.

Each new Wealthfront Advisers’ employee receives a copy of the Code when hired or engaged by Wealthfront Advisers. Wealthfront Advisers sends copies of any amendments to the Code to all supervised persons, who must acknowledge in writing having received the Code and the amendments. Annually or as otherwise required, each supervised person must confirm to Wealthfront Advisers that they have complied with the Code during such preceding period.

Wealthfront Advisers’ employees may personally invest in securities recommended by Wealthfront Advisers, specifically the ETFs recommended for each asset class and individual large and mid-capitalization stocks recommended for advanced forms of TLH. Wealthfront Advisers’ employees may also buy or sell specific securities for their own accounts that are not purchased or sold ahead of Clients. Wealthfront Advisers monitors the securities transactions of all employees to determine whether there have been any improper use of client trading information by employees. It also requires all employees to report any violations of the Code promptly to Wealthfront Advisers’ Chief Compliance Officer. The complete Code of Ethics is available to any client or prospective Client upon request.

**Review of Accounts**

Wealthfront Advisers provides all Clients with continuous access via the Site where Clients can access their Account documents, such as account statements, and review their time-weighted and money-weighted returns. Clients may also receive periodic e-mail communications describing portfolio performance, Account information, and product features.

Wealthfront Advisers’ software based 529 investment advisory service assumes that a portfolio created using MPT-based techniques will not stay optimized over time and must be periodically rebalanced back to its original targets to maintain the intended risk level and asset allocations. Wealthfront Advisers reviews each Client’s Account when it is opened and using software, continuously monitors and periodically rebalances each Client’s portfolio to seek to maintain a Client’s targeted risk tolerance and optimal return for the Client’s risk level. Wealthfront Advisers also conducts reviews when Clients make changes to their risk profiles. Wealthfront Advisers also determines how the Client’s portfolio’s allocations of Plan municipal fund securities will change over time pursuant to the assigned glide path. Each glide path gradually shifts the asset allocations of the municipal fund securities in the Client’s portfolio to progressively decreasing levels of expected risk as the expected matriculation date of the Beneficiary approaches.

On a periodic basis, Wealthfront Advisers contacts each Client to remind them to review and update personal profile information they previously provided. Wealthfront Advisers also requests that Clients reconfirm the same information on an annual basis. These notifications and confirmations include a link to the Client’s current information and contact information for the Wealthfront Advisers support team. Currently the Wealthfront Advisers team members whose tasks include supervising, arranging and responding to these notifications, confirmations and reviews are: the Client Services Manager and the Client Services team.
Wealthfront Advisers periodically reviews the ETFs used for the municipal fund securities making up Client 529 portfolios. Wealthfront Advisers’ Investment Committee, a committee of certain other Wealthfront Advisers officers who are not members of the Wealthfront Advisers investment research team, approves of these reviews. The committee has the authority, if necessary, to remove, add or replace an ETF from the municipal fund securities making up the portfolios advised by Wealthfront Advisers.

**Client Referrals and Other Compensation**

Wealthfront Advisers expects from time to time to run promotional campaigns to attract Clients to open 529 Accounts on the Site. These promotions may include additional Account services or products offered on a limited basis to select Clients, more favorable fee arrangements, and/or reduced or waived advisory fees for Clients, including Wealthfront Advisers’ Invite Program pursuant to which Clients may invite friends, family and others to open an account with Wealthfront Advisers. Wealthfront Advisers waives its advisory fee on $5,000 of Account assets for both the referring Client and the referred Client for each referral. Wealthfront Advisers may also invite non-Clients to open an account with Wealthfront Advisers via the Invite Program. For non-Clients who become Clients via direct invitation from Wealthfront Advisers, Wealthfront Advisers will waive its advisory fee on a predetermined amount of the Client’s Account assets.

These arrangements may create an incentive for a third-party or other existing Client to refer prospective Clients to Wealthfront Advisers, even if the third-party would otherwise not make the referral. These arrangements may also create a conflict of interest for a Client to maintain a certain level of assets managed through Wealthfront Advisers if doing so would result in eligibility to receive an incentive, bonus or additional compensation.

In the past, Wealthfront Advisers had certain arrangements in which it paid bloggers and others who posted advertisements for Wealthfront Advisers based on the assets initially deposited by individuals responding to such advertisements. Currently, Wealthfront Advisers has certain arrangements in which it pays bloggers and others who post advertisements for Wealthfront a flat fee per client responding to such advertisements who opens an account regardless of whether said client funds the account.

**Voting Client Securities**

Wealthfront Advisers, as a matter of policy and as a fiduciary to our clients, has responsibility for voting proxies for portfolio securities consistent with the best economic interests of the Clients. Our firm maintains policies and procedures as to the handling, research, voting and reporting of proxy voting and makes appropriate disclosures about our firm’s proxy policies and practices. Our policy and practice includes the responsibility to monitor corporate actions, receive and vote client proxies and disclose any potential conflicts of interest as well as making information available to clients about the voting of proxies for their portfolio securities and maintaining relevant and required records. Clients may request information regarding how Wealthfront Advisers voted a Client’s proxies, and Clients may request a copy of the firm's proxy policies and procedures by emailing support@wealthfront.com. Clients should not become or continue as a Client if they wish to vote such proxies.
**Financial Information**

This Item is not applicable because Wealthfront Advisers does not require or solicit the prepayment of any advisory fees and does not have any adverse financial condition that is reasonably likely to impair our ability to continuously meet our contractual commitments to our Client.

For the purpose of this Privacy Policy, a “User” is a party who creates an account on our Site or App only to use our free financial planning software and/or to understand or evaluate our Services; and a “Client” is a party (including a User) who signs one of our Client Agreements for any reason, including to open a Cash Account or engage in portfolio management services.

Our Privacy Policy, Website Terms of Use, Financial Planning Terms of Use, and Client Agreements, govern different aspects of your use of our Site, App, and Services.

You are not required to provide these items to us to become a User, but Users who choose not to provide these items to us will not be able to become Clients.

Information We Collect When Acting As Your Authorized Agent

Many of Wealthfront’s Users and Clients choose to input information from accounts at outside third-party financial institutions onto their Wealthfront dashboard on our Site or in our App. Although there is no requirement to do so, if you choose to enable Wealthfront to collect information from your outside accounts, Wealthfront retrieves your outside account information maintained by your outside financial institutions (“Outside Account Information”) as described in this section.

By linking your outside accounts to your Wealthfront account, you provide Wealthfront access to your Outside Account Information, which may include prior and current account balances, your transaction history, and holdings from your linked outside financial institutions. Portions of this Outside Account Information will be displayed on your Wealthfront dashboard. Wealthfront may use the Outside Account Information we receive to formulate your financial projections in Path, to move money between your linked outside financial institutions and Wealthfront in accordance with your instructions and authorizations (such as via our Automated Savings Plan), in connection with our fraud prevention activities, or for other purposes consistent with this Privacy Policy and the Services we provide to you. Wealthfront may also use aggregated Outside Account Information from our Users and Clients for purposes of deciding which products and services to offer in the future.

By choosing to use our Services to aggregate and analyze your Outside Account Information, you expressly authorize and direct Wealthfront, on your behalf, to access all Outside Account Information available via the login credentials you provide. You also authorize and direct Wealthfront periodically to refresh your retrieved Outside Account Information by re-accessing your linked third-party accounts using your login credentials for so long as the ACH link remains active. Wealthfront uses Yodlee, Inc.
(“Yodlee”) as our third-party service provider for the collection, use, storage, and handling of data in connection with our account aggregation services and for purposes of verifying the outside accounts. Wealthfront does not store the login credentials for your linked third-party accounts after the credentials have been transmitted to Yodlee, but we may store your login names in encrypted form for purposes of fraud detection and prevention. As Wealthfront’s service provider, Yodlee is responsible for storing your credentials, collecting and processing your Outside Account Information, and providing it to us using the login credentials you supply. You can view Yodlee’s privacy notice here and Yodlee’s commitment to clients and consumers here. Any Outside Account Information that Wealthfront receives from Yodlee is in read-only format, and Wealthfront cannot alter the Outside Account Information maintained by your third-party institution. All transmissions of your Outside Account Information and your login credentials between Yodlee and Wealthfront are encrypted in transit. Wealthfront retains your Outside Account Information collected via this account-linking service in accordance with our regulatory recordkeeping requirements, as permitted by law, as described elsewhere in this Privacy Policy, and as required in connection with the maintenance of your account and the Services we provide to you.

Users may request deletion of their Outside Account Information in accordance with the “Retention and Deletion” section below. Wealthfront does not share your Outside Account Information with outside parties except in limited cases relating to fraud investigations. In such fraud investigations, we may share certain of your Outside Account Information with your linked third-party institution. We also reserve the right to share Outside Account Information with third parties as required by law. If you choose to remove or deactivate a link to an account with a third-party institution, we will not retrieve any new Outside Account Information for that account unless you re-link that account in the future.

Wealthfront Brokerage LLC Disclosures

Wealthfront Brokerage LLC Business Continuity Plan Disclosure

Wealthfront Brokerage LLC ("Wealthfront Brokerage" and formerly known as Wealthfront Brokerage Corporation) has developed a Business Continuity Plan on how we will respond to events that significantly disrupt our business. Since the timing and impact of disasters and disruptions is unpredictable, we will have to be flexible in responding to actual events as they occur. With that in mind, we are providing you with this information about our Business Continuity Plan.

Contacting Us – If after a significant business disruption you cannot contact us as you usually do at (844) 995-8437.

Our Business Continuity Plan – We plan to recover quickly and resume business operations after a significant business disruption and respond by safeguarding our employees and property, making a financial and operational assessment, protecting Wealthfront Brokerage’s books and records, and allowing our clients to transact business. In short, our business continuity plan is designed to permit Wealthfront Brokerage to resume operations as quickly as possible, to the extent possible given the scope and severity of the significant business disruption.

Our Business Continuity Plan addresses: data backup and recovery; all mission critical systems; financial and operational assessments; alternative communications with clients, employees, and regulators; alternate physical location of employees; critical supplier, contractor, bank and counter-party impact; regulatory reporting; and assuring our clients prompt access to their funds and securities if we are unable to continue our business.

Wealthfront Brokerage backs up its important records in a geographically separate area. While every emergency situation poses unique problems based on external factors, such as time of day and the severity of the disruption, its our objective to restore operations and be able to complete existing transactions and accept new transactions and payments within 4-12 hours. Your trading instructions and requests for funds and securities could be delayed during this period.

Varying Disruptions – Significant business disruptions can vary in their scope in that they may affect just Wealthfront Brokerage, or a single building housing Wealthfront Brokerage, or the business district where Wealthfront Brokerage is located, or the city where Wealthfront Brokerage is located, or the whole region. Within each of these areas, the severity of the disruption can also vary from minimal to severe. In a disruption to only Wealthfront Brokerage or the building housing Wealthfront Brokerage, we will transfer our operations to a local site if necessary and expect to recover and resume business within 2-3 hours. In a disruption affecting our business district, city, or region, we will transfer our operations to a site outside of the affected area, and plan to recover and resume business within 1-2 days. In either situation, we plan to continue in business, and notify you through our client emergency number, (650) 249-4258, which is how you will be able to contact us. If the significant business disruption is so severe that it prevents us from remaining in business, we will assure our clients prompt access to their funds and securities.

Important Disclaimers - Wealthfront Brokerage will adhere to the procedures set forth in its Business Continuity Plan and described in this disclosure to the extent commercially reasonable and practicable under prevailing circumstances. However, there are innumerable potential causes of a business disruption. In addition, disruptions (and the events that caused them) may vary significantly in nature, size, scope, severity, duration and geographic location and will result in distinct degrees of harm to human life; firm assets; the national banking system, securities exchanges, clearing houses and depositories with which Wealthfront Brokerage conducts business; and local, regional and national systems infrastructure (e.g., telecommunications, Internet connectivity, power generation and transportation) that could affect Wealthfront Brokerage’s recovery in vastly disparate ways. In recognition of this, Wealthfront Brokerage reserves the right to flexibly respond to particular emergencies and business disruptions in a situation-specific manner that it deems prudent under the circumstances, in its sole discretion. Nothing in this document is intended to provide a guarantee or warranty regarding the actions or performance of its computer systems, or its personnel in the event of a significant disruption.

Wealthfront Brokerage may modify its Business Continuity Plan and this disclosure at any time. Should you wish to receive a copy of an updated disclosure by mail or by email, please contact Wealthfront Brokerage.

27. **Cash Sweep Program**

27.1 **Consent**

We automatically transfer uninvested cash in your Account to a Designated Sweep Vehicle, as further described in this Section (the “Cash Sweep Program”). We reserve the right to change both Cash Sweep Program options available and the general terms and conditions of the Cash Sweep Program, including sweeping uninvested cash in your Account to either a FDIC Insured Bank Sweep Option whose deposits are insured by the Federal Deposit Insurance Corporation or to a Money Market Fund Sweep Option. Except as otherwise noted in the Cash Sweep Program Disclosure Statement, which may be updated from time to time, Wealthfront Brokerage may, with 30-days prior notice to you, change, add or delete products available through, or the terms and conditions of, the Cash Sweep Program. Further, we may, upon 30-days prior notice to you, change the Cash Sweep option in which you participate from one option to the other. Your continued use of your Cash Account following such change to the Cash Sweep Program and/or your Cash Sweep option shall constitute your consent to any such change.

By entering into this Brokerage Agreement, you affirmatively consent and authorize Wealthfront Brokerage to: (i) sweep any available cash in your Wealthfront Account into a Money Market Fund Sweep Option in accordance with instructions from Wealthfront Advisers, and (ii) sweep any available cash in your Cash Account into a Designated Sweep Vehicle that had been designated by you. You further consent that notifications and disclosure concerning changes to the Cash Sweep Program will be made through updates to the Cash Sweep Program Disclosure Statement and/or the Brokerage Agreement. For more information regarding the Cash Sweep Program, please refer to the Cash Sweep Program Disclosure Statement.

27.2 **Money Market Fund Sweep Option**

You agree that your available cash in your Account(s) will be swept into the RBC U.S. Government Money Market Fund (“RBC Fund”) pending investment of the cash or until otherwise needed to satisfy obligations arising in connection with your Account(s). Cash will be automatically invested in the RBC Fund. Proceeds from the sale of Securities will be swept into the RBC Fund following settlement if the Securities sold have been received in good deliverable form by the settlement date. The proceeds of any checks, wires or Automated Clearing House (“ACH”) transactions that you deposit to your Account(s) will be swept to the RBC Fund by Wealthfront Brokerage and will begin earning dividends on that immediately following business day, or within 1 to 3 business days under certain circumstances. Access to such funds may be withheld for up to six Business Days to assure that such deposits have not been returned unpaid. You authorize Wealthfront Brokerage to automatically redeem balances maintained in the RBC Fund to satisfy your obligations. You authorize Wealthfront Brokerage to act as your agent to purchase and redeem balances in the RBC Fund, and further authorize Wealthfront Brokerage to select and use agents as Wealthfront Brokerage deems appropriate.

**Acknowledgements.** You acknowledge and agree that: Investments in the RBC Fund are subject to restrictions described in the applicable RBC Fund prospectus. For more complete information about the RBC Fund, including charges and expenses, read the RBC Fund’s prospectus carefully. An investment in the RBC Fund is neither insured nor guaranteed by the FDIC. Although investments in the RBC Fund provide a means of earning a return on cash, there can be no assurance that the RBC Fund will be able to maintain a stable net asset value of $1 per share. In the event that the RBC Fund is no longer able to maintain the net asset value of its shares at $1, then you authorize and instruct Wealthfront Brokerage, without further notice to you, to redeem all of your RBC Fund shares as soon as commercially practicable and deposit the proceeds in your Account.

27.3 **FDIC Insured Bank Sweep Option (only available to Cash Accounts)**

You agree that your available cash in your Cash Account(s) will be swept into a FDIC-insured interest-bearing account at one or more Participating Banks within 1 to 3 Business Days (not including bank holidays or days on which the New York Stock Exchange is closed, such as Good Friday) after receipt of such cash. The FDIC Insured Bank Sweep Option has a network of FDIC-insured Participating Banks to which your cash balances can be spread in order to maximize total FDIC insurance protection. Participating Banks may be added or removed from our Cash Sweep Program without prior notice to you. Please refer to the Cash Sweep Program Disclosure Statement for more information about the list of Participating Banks and how the FDIC Insured Bank Sweep Option works.
