

# C A R E E R S

**WEALTHFRONT IS  
DEMOCRATIZING  
SOPHISTICATED  
FINANCIAL SERVICES.**

## DESIGN POSITIONS

- Product Design
- Visual Design

Wealthfront is the largest and fastest-growing automated investment service. Our mission is to provide access to the same high quality financial advice offered by major financial institutions and private wealth managers, like tax-loss harvesting, without the high account minimums or costs. Wealthfront now manages over \$750M in client assets.

Our investment team is led by Dr. Burton Malkiel, renowned economist and author of *A Random Walk Down Wall Street*. Burt is complemented by a forward-thinking engineering team and Silicon Valley's best that has earned a reputation for state-of-the-art software development. Join us on our journey!

# Design at Wealthfront

We are looking for talented designers to join our growing team. As a core member of our design team, you'll be one of the architects of our mission, transforming the way people interact with their money and investing. We are client-focused and you should be too. After all, we're building tools that are helping them build a better future for themselves and their families.

You'll be working closely with product managers, engineers, and the rest of the team to create amazing mobile and web client experiences. Along with your resume, please submit a link to your portfolio that highlights design and other relevant work that makes you proud to [JOBS@WEALTHFRONT.COM](mailto:JOBS@WEALTHFRONT.COM).

---

## DESIRED SKILLS & EXPERIENCE

- User-centered and focused on making experiences that are beautiful, delightful, and easy to use
- Ability to visualize, own, and execute the creation of an experience from initial concept to collaborating with engineers on implementation
- Expert eye for detail and pixel perfection
- Extremely creative and passionate about typography, color, and creating new and amazing designs to further the Wealthfront brand
- Self-motivated with the ability to work independently
- Excellent collaboration skills
- A degree in Design, or equivalent combination of education and experience.

## EVEN BETTER

- Knowledge of HTML, CSS, or applicable programming language
- Able to create beautiful icons and illustrations

TO APPLY, E-MAIL PORTFOLIO TO

# Benefits

## COMPENSATION

We have competitive salary and equity packages for all employees so everyone can feel the sense of ownership we all have.

## HEALTH & WELLNESS

Wealthfront offers extensive health insurance options for spouse, domestic partners and children. There's also 401K options, life insurance and free gym membership at Vivre.

## HEART OF SILICON VALLEY

Sunny downtown Palo Alto location. 5 min walk from Caltrain and a couple of blocks to University Avenue shopping & restaurants.

## COMMUTE

Free CalTrain "Go Pass" for train travel (yep, works on weekends too).

## SNACKS ON SNACKS

Stocked kitchen with snacks and beverages. Free coffee (and yogurt) from local Philz, Peets and Fraiche.

## WORK HARD, PLAY HARD

Awesome parties when we reach milestones. Recent celebrations have included an Anchor Steam brewery tour and a luxury box at SF giants games.

## TIME OFF

Our time-off policy is simple. Take the time you need, when you need it.

## DID WE MENTION TACO TRUCKS?

Regular & sponsored food truck visits in our parking lot
